Riddle Is Named Superintendent

Fred Riddle, former principal of Madison High School and now physical education supervisor of the Collinsville Community Unit School District, was appointed Thursday night as superintendent of the Madison School District.

The appointment was confirmed by a 4 to 2 vote during a regular meeting of the board of education shortly after the board accepted the resignation of Raymond Dragich who has been Madison school superintendent since 1966.

Riddle is to assume the post Dec. 1.

Dragich had announced he was

leaving the superintendent's post "for health reasons." He did not attend Thursday night's board meeting.

A motion that Assistant Superintendent John Palchett serve as acting superintendent until the end of the school year next June 30, made by Board Member Harold Fisk, died for lack of a second. A motion to hire Riddle was then approved with Fisk and Board President Chester McManaway voting against it.

FRED RIDDLE
Madison School Superintendent

Riddle was a physical education instructor at Madison High School from 1946 through 1951 when he became principal. In 1959 he left Madison to accept the principal's position at Collinsville High School, and in 1969 accepted his present position.

In other action the board voted to retain Beulah Williams as matron, and Emmett Paxia, as security guard at the high school, and to hire two other persons, a white matron and a Negro security guard.

McManaway said the board is now accepting applications for

New Report Plan Set Up For Area Probationers

A new report system for Quad-City area probationers which will permit them to make their reports locally instead of going to Alton or Edwardsville has been initiated by the adult division of the Probation Court Services Department of the Third Judicial Circuit.

Effective Dec. 1, the Probation Department will provide reporting facilities at the Madison Police Headquarters on the first and third Thursdays of each month between 3 and 5 p.m.

The arrangement was worked out Friday in a meeting at Madison between Madison Mayor Mike Sasyk, Chief of Police Frank Dutko, Chief Probation Officer James Reidelberger and Andrew Johnson and Thurston Jones, adult probation officers.

"We recognize that many probationers living in the Quad-

City area have difficulty in reporting to the main office at Edwardsville due to their work schedules, lack of transportation, lack of funds and the inadequate transportation facilities between the Quad-Cities and the county seat," Reidelberger said.

Reidelberger said the probation department believes the new program will be beneficial to both the department and those persons on probation.

"In the event that the caseload from the Quad-City area becomes larger than it is at the present time, we will be able, in the future, to extend either the number of days or the hours given to this new program," he added.

A similar program was initiated several months ago for the Alton-Wood River area and has been considered a very successful operation, the chief probation officer said.

Airport Authority Appoints Director

Arven H. Saunders, director of Dulles and Washington international airports, has been selected for the \$37,500-a-year post as executive director of the St. Louis Metropolitan Area Airport Authority.

"Mr. Saunders has had a distinguished career in airport management and operation, has an intimate familiarity with the Federal Aviation Administration and enjoys the respect of the top people in our airline industry."

"All these qualities—and wide support from the governments, agencies and persons involved in the project—will be necessary to achieve our goal of a modern airport to serve the future needs of the Metro East and St. Louis areas."

Saunders, a resident of McLean, Va., is director of the Department of Transportation's bureau of national capital air-

NEW PROBATION PLAN was agreed upon by officials meeting at Madison City Hall Friday. Probationers now may report to their probation officers at Madison rather than appearing in Edwardsville or Alton. Finalizing the plan were, left to right,

Frank Dutko, Madison police chief; James Reidelberger, chief probation officer; Madison Mayor Mike Sasyk and Andrew Johnson and Thurston Jones, adult probation officers.

Seek Education Doctoral Program

Southern Illinois University trustees on Friday endorsed—for the first time—a doctoral program for the southwestern campus.

It is a proposed doctor of philosophy degree in education, with a specialization in the instructional process. Action now goes to the Illinois Board of Higher Education.

Endorsement by the SIU board is necessary, but no new graduate program can be instituted at any state university without the approval of the statewide board. This action may be several months away.

The focus of this program, Education Division Dean Deane W. Wiley said, is to give students a broad base of knowledge, with competence in the practical and research tasks of teaching.

The degree is designed to allow students to study in several areas of specialization, with emphasis on the effects of the contemporary society.

One of the facets is a dual internship for the doctoral student, including a major research program and practical application in a regular school situation. Flexibility for individualized courses of study will be allowed through special seminars and independent study projects.

Physical Education Facility
During its session Friday at the Alton Center, the SIU board authorized the local campus to present a temporary physical education facilities project to the Illinois Board of Higher Education for review and approval.

Funds totaling \$178,000 are on hand and available for the two items, SIU-SW Chancellor John S. Rendleman reported.

The temporary facilities will consist of two interconnected structures. The first is an air-supported building that will provide an indoor playing area

to accommodate physical education and intramurals. This structure, budgeted at \$70,000, was approved by board action on Sept. 18, 1970.

Connected to this air-support facility will be a rigid frame structure measuring 45 feet by 60 feet, to include locker room

space, dressing room space, showers and restrooms for both men and women. This has been budgeted at \$108,000 and was approved by board action on Dec. 18, 1969.

Dental School Construction
A major addition to the 1971-72 capital funds budget of SIU

was authorized by the trustees. They approved a request for the permanent facilities of the new SIU School of Dental Medicine to be constructed on the southwestern campus. It totals \$28 million and the cost will be

Robbers, Burglars Hit Markets

The armed robbery of a Granite City food market and the burglary of a Madison market, in which undetermined amounts of money were taken at each, were among crimes reported to Quad-City authorities during the weekend.

Burglars squeezed through an 11-inch square hole on the roof of Schermer Brothers Market, 1125 Madison Ave., Madison, last night and took an undetermined amount of money.

The store burglar alarm sounded at 8:30 p.m. Sunday. When police arrived they found the front door open. The safe on the first floor was intact and apparently had not been tampered with.

A police dog was brought to the market and police went to the second floor where they found the door glass to the second floor office broken and the office ransacked. In the men's restroom on the second floor police found the hole where the burglars apparently had entered.

Food Store Robbery
A cashier at the National Food Store, Madison Avenue and Nameoki Road, was held up by a bandit who escaped with an undetermined amount of money Friday afternoon.

Edward Hart, store manager, reported at 3:20 p.m. that the man approached Imogene Graham in the cashier box, reached over the entrance, unlocked the door and entered.

He drew an automatic type hand gun and forced her down to the floor, instructing her to remove money from a safe and place it into a sack.

During the holdup, both the man and the cashier stayed on the floor, according to Hart, who added that a second man stood outside the box during the holdup. Both walked from the store and left in a white 1966 Buick.

It was determined later that the car was stolen from Frank J. Szczepak, 2440 Hemlock St., while it was parked on the 16th Street lot of Granite City Steel Co. It was recovered in the lot at the Farm Fresh Dairy Store, 2928 Nameoki Road, and given to the store.

A. L. Metcalf Suffers Heart Attack in Chicago
A. L. "Pete" Metcalf, assistant postmaster of Granite City and president of the Granite City School Board, was admitted at 8:20 a.m. today to the intensive care unit of St. Elizabeth Hospital after suffering an apparent heart attack.

Metcalf was attending the Illinois Association of School Boards meeting, Sunday afternoon in Chicago when he suffered chest pains and was brought home by his family. He is reported in fair condition.

towed to a garage.

Both men were described as being 35 to 40 years old. The holdup man was described as being 5 feet, 9 inches tall, of medium build, neatly dressed and wearing a light-colored small brim dress hat, dark glasses, a small mustache and a green sport coat.

The other was described as being 5 feet, 9 inches tall, of slender build, with gray hair in need of a trim, and wearing a short brim plain dress hat and a tan jacket.

Liquor Store Robbed

A youthful bandit armed with a pistol held up and robbed the owner and an employee of the Ace Cut-Rate Liquor Store, Fourth and State streets, Madison, at 6 p.m. Thursday, and escaped with \$423.

Roy Stancic, owner of the store, told Madison police the young man entered the store with a gun in his hand and ordered Stancic and Vera Miller to get behind the counter "and give me the money."

Rich said that on Sundays, Dec. 6 and 13, stores will be open from noon to 5 p.m., and on weekdays, beginning Dec. 7, they will be open until 8:30 every night through Dec. 14, when they will close at 5 p.m. Normal hours will be observed on Saturdays, when stores will close at 5:30 p.m.

County to Act on Vote Machines

The Madison County Board of Supervisors will adopt a budget and set a tax levy at its regular meeting at 9:30 a.m. Wednesday in the County Courthouse at Edwardsville.

The board's finance committee headed by Nelson Hagnauer, Granite City Township supervisor, has proposed a budget totaling \$7,243,989, an increase of \$432,595, and tax levies of \$3,265,903, a reduction of \$168,203 from last year.

The agenda includes a resolution to set the fee for the County Nursing Home at \$350 per month per patient, effective Dec. 1, and another resolution to purchase the voting machines now being leased from the Ship Co.

The purchase of 400 machines was recommended by the election study committee following favorable response in the first use of the machines in the county at the Nov. 3 general election.

The county-leased the machines for \$125 a year each. They sell for \$1,770 each, and the county has the option to deduct the lease cost from the total purchase price of \$708,000. The county could pay for the machines over a 10-year period at 6% interest.

15 DAYS WITHOUT A QUAD-CITY TRAFFIC FATALITY

Stancic said the bandit then took the employee's handbag, put the money in it and left the store.

William Murday, 4010 Braden Ave., reported at 7:28 p.m. Friday that burglars who entered his trailer home stole an antique mantle clock, a lady's brown wig, an AM-FM radio and a 12 gauge shotgun.

Nelson Warnecke, 3172 Jill Ave., reported at 8:05 p.m.

Announce Yule Shopping Hours

Stores in downtown Granite City will begin observing Christmas shopping hours Sunday, Dec. 6, and will continue through Christmas eve, according to Maurice Rich, president of the Downtown Merchants Association.

Rich said that on Sundays, Dec. 6 and 13, stores will be open from noon to 5 p.m., and on weekdays, beginning Dec. 7, they will be open until 8:30 every night through Dec. 14, when they will close at 5 p.m. Normal hours will be observed on Saturdays, when stores will close at 5:30 p.m.

Skaters from 5 States Race at GC Ice Rink

The eyes of a big portion of the nation were on Granite City Saturday and yesterday as ice skaters from five-states raced in second annual championship competition at the Wilson Park rink.

Joint sponsors were the Granite City park district and the Gateway Speed Skating Club. Contestants totaled 270, and filled motor hotels in this area. States as far away as California and Minnesota were represented.

Over 500 spectators viewed the races each day, and both entrants and viewers described the event as a success. An advantage of the Wilson Park rink for such tournaments is that it is open-air, preserving the visual effect and atmosphere of the outdoors, but also has a roof, enabling skating to take place regardless of the weather.

Nineteen speed skating clubs entered contestants, and a total of 134 events took place. Cities represented included St. Louis and Clayton, Mo.; Milwaukee, Wis.; and Chicago, Chicago, Mont. Prospect, Northbrook, Glen Ellyn and Peoria, Ill. Many met records were broken.

New records include: Senior men: Rick Simon, West

Allis, Wis., 3 1/2 mi., 2:07.0; Simon, 1 mi., 3:58.0.

Intermediate boys: Rusty Smith, Champaign, 1 mi., 2:56.0.

Juniors, Juveniles

Junior boys: Bill Anderson, Glen Ellyn, 440 yd., 28.6 seconds, Anderson, 1 mi., 2:44.1.

Juvenile boys: Greg Berg, Northbrook, 440 yd., 41.8.

Midget boys: David Pogorzelski, Clayton, 220 yd., 22.4; 330 yd., 32.0; 440 yd., 44.5.

Bantam boys: Andy Gulczynski, Minnesota Speed Skating Club, 220 yd., 24.4; 330 yd., 36.4.

Ronald Muck, 440 yd., 36.5.

Pony boys: Tom Chobot, West Allis, 110 yd., 14.5; 330 yd., 44.7.

Intermediate girls: Chelet Chlapay, 880 yd., 1:29.0.

Juvenile girls: Janis Bogard, Clayton, 330 yd., 34.0; Jane Henley, Clayton, 220 yd., 23.1.

Midget girls: Beth Heiden, Madison, Wis., 330 yd., 35.0.

Bantam girls: Victoria Raimann, West Allis, 330 yd., 37.0.

Pony girls: Kristin Trautman, Madison, Wis., 220 yd., 28.1.

Sharon Paulack, Gateway 110 yd., 15.0.

GC Novice Competition

Granite City novice speed skaters earned gold, silver and bronze trophies.

Novice winners were:

Group 1—Marlene Kaika, Clayton, 110 yd., 15.0.

Friday Deadline for Yule Air Lift Mail

Yuletide packages destined for servicemen overseas must be mailed by Friday to qualify for the special Parcel Air Lift (PAL) service, local postal officials remind Quad-Cityans today. If air mail is used, the deadline for packages, greeting cards and letters is extended to Dec. 11.

The same December date is recommended for all parcels, cards and letters being sent via air mail to civilians in Africa, the Near and Far East, with the air mail deadline for Europe, the South and Central America extended until Dec. 14 and to Dec. 16 for Canada and Mexico.

Early mailing provides the sender a better assurance that his gifts and cards will arrive before Christmas, Granite City Postmaster Theodore Overbeck said. Packages heading to servicemen in Southeast Asia and Europe weighing up to 30 pounds and measuring 80-inches maximum in length and girth will be accepted through Friday at local post offices for shipment via PAL.

Press-Record's... YULE MAIL CALL (Clip and Save)

Quad-City servicemen and women stationed around the world, whose names and addresses are being published in each issue of the Press-Record as a special pre-Christmas public service. It is suggested that readers clip-out and retain the lists as they appear. Local residents are invited to include the servicemen on the pre-Christmas mailing list and send greeting cards, letters or packages, thereby helping to brighten the coming holiday season for military personnel who are a way from their homes and families. Early mailing is recommended.

In addition, Walter Schmidt, 3109 Edwardsville Road, obtained permit to raze a house at a cost of \$300.

Grand Jury Indicts Six for Area Crimes

The Madison County Grand Jury returned 11 indictments and one no-trial bill Thursday afternoon, while the courts last week sentenced one defendant to a term on the state prison farm at Vandalia.

Exonerated by the grand jury was Golden G. Radford of the 2100 block of Delmar Avenue who had been charged with auto theft.

Six persons were named in indictments involving Quad-City area crimes. They are:

JoAnn Hudson, 18, and Cleatrice Hopkins, 20, both of North Venice, charged with robbery last Monday in Madison where they took a wallet containing \$174.

Danny Jamerson and John McGrath of Granite City, charged with unlawful possession of a narcotic drug (marijuana), James L. Liles, 20, of Granite City, forgery, and Wesley Maness, forgery.

Danny Farley, 26, of Granite City, was sentenced to one-year on the prison farm, starting at a later date to be followed by a year's probation.

Armed robbery charges against David Farley, Gary D. Selwell, Carroll Pigg and Danny Farley, all of Granite City, were dismissed.

The grand jury is scheduled to meet next on Dec. 10.

Forte Awarded \$475 For Bitten Ear Lobe

Jimmy Lee Forte, 25, of Granite City, who lost the lobe of his right ear when it was bitten off by his brother-in-law two years ago at the former Club Delmar Tavern, was awarded \$475 by a jury in a dram shop suit heard last week at Edwardsville.

The jury deliberated only 45 minutes before returning the verdict to Magistrate Andreas.

Forte charged that his brother-in-law became intoxicated at the tavern before the incident occurred Sept. 8, 1963. He said the loss caused "disfigurement of his masculine appearance."

The suit sought no specific amount, but damages of up to \$15,000 can be awarded in magistrate courts.

GC Steel Names Engineer Director

John G. Despo has been appointed to the new position of director of engineering for Granite City Steel Co. effective immediately. Lytle F. Galt, president, announced today.

Despo is 55 years old and has been manager of construction for the Chicago District of United States Steel Corp. He will be in charge of the engineering department at Granite City Steel, replacing Edward D. Badgett, vice president-engineering, who has retired.

Despo is a graduate of Worcester Polytechnic Institute in Worcester, Mass. (B.S. in civil engineering). Despo worked for the Massachusetts State Highway Department and Metropolitan Boston Water Supply Commission before he was employed in 1941 as an estimator for the American Steel and Wire Division of United States Steel.

He became superintendent of construction in 1948 and later served as division superintendent-engineering and maintenance at various plants, as division engineer-projects, and as assistant chief engineer of the division.

Despo was appointed assistant chief engineer-wire operations for United States Steel in 1964, and manager of construction for the Chicago District of Iron and Steel Engineers, the Eastern States Coke Oven and Blast Furnace Association, the National Association of Professional Engineers, and the Wire Association. He is married, has three children and has lived at Olympia Fields, Ill.

Granite City Steel, the largest steel company in the St. Louis area, produces plate, hot and cold rolled sheet, galvanized sheet and other flat rolled steel products. Main offices and plant are in Granite City.

Alderman Dawes Sues City, Seeks \$25,000

Granite City Alderman David Dawes has filed suit for \$25,000 against the City of Granite City, Street Superintendent William Warfield and Charles Jarman in Madison County Circuit Court.

The complaint alleges that Dawes was injured when his auto was struck by a car driven by Jarman last Sept. 29 at 21st Street and Ohio Avenue.

He said he failed to observe a stop sign on 21st Street as it was hidden by tree branches and leaves, causing the mishap. He charged that the city was negligent for installing the sign near a tree and failing to cut and trim it.

Tuition Boost Opposed by Chancellor as Too Drastic

Dr. John S. Rendleman, chancellor of SIU-SW, on Friday publicly opposed a proposal being considered by the Illinois State Board of Higher Education which would increase SIU tuition rates 43% in a one-year period.

The chancellor's opposition "on grounds of basic principle and prudent policy" was voiced in a statement to the SIU board of trustees meeting at the Alton Center of the Southwestern campus.

"It is my conviction that the heart of the concept of public education as it has evolved in America is that it be easily accessible to anyone," the chancellor said.

"The proposal that is currently being recommended, however, is so far from the ideal that one may seriously question what the idea of public education means to the people of Illinois."

"To ask the student and his family to pay one-third of the cost of his instruction is a drastic, radical step away from the meaning of free public education on any level of reasonable interpretation," Rendleman said.

Bitter Public Response

The chancellor criticized a study committee report of the Board of Higher Education which says: "It is unfair to exact money from the many lower income taxpayers who bear substantial burdens from the state's tax structure to subsidize education of young adults who are better able to pay their own way."

"The response to that statement from the people who live in the environs of our campus would be bitter laughter," the chancellor contended.

"Students who come to us from the communities and the families who must contribute to their support know first-hand about the many inequities in the present tax structure."

"They also know that a tuition increase will only compound the burdens these inequities presently impose—in many cases to the extent of preventing these young people from getting the education they desire and society demands," Rendleman said.

Construction Delays

Delays in the SIU-SW building program caused SIU to impose an enrollment limit of 15,700 for the fall quarter.

"We had to slam our doors in the faces of over 400 persons who wanted to seize the opportunity of university education this September."

"But that figure is minuscule compared to those who would find the doors shut against them if they are required to pay the higher tuition the current proposal demands," Rendleman told the trustees.

The proposal before the Board of Higher Education would make 1971 fall quarter tuition for Illinois residents 43% higher than the tuition charged in September 1970.

One tuition increase over the fall 1970 figure will also reflect for Illinois residents at the

Mrs. Batson on Gov. Ogilvie's Advisory Council

Mrs. Mary Batson, vocational cosmetology teacher in the Olm Vocational Building, Alton Senior High School, has been appointed to serve on the Governor's Advisory Council for Illinois by Gov. Richard B. Ogilvie.

The council is composed of women leaders from different sections of the state and the members serve on various committees. The committee assignments are based on the individual's educational qualifications and previous community service.

She is presently serving as president of the Madison County Heart Association and vice-chairman of District 14 of the Business and Professional Women's Clubs. She is a past president of the Elite Cosmetologists Association and past president of the Business and Professional Women's Club of Granite City.

Mrs. Batson holds membership in the National Education Association, Illinois Education Association, Alton Education Association, American Vocational Association and Illinois Vocational Association. She has been teaching cosmetology in the Alton school district for 13 years.

She is the wife of Charles D. Batson, a supervisor at Granite City Steel Co. They have three daughters: Pam, a cosmetologist; Randy, a student at Lewis and Clark Community College; and Daphne, an elementary school student. The family resides at 3117 Aubrey Ave.

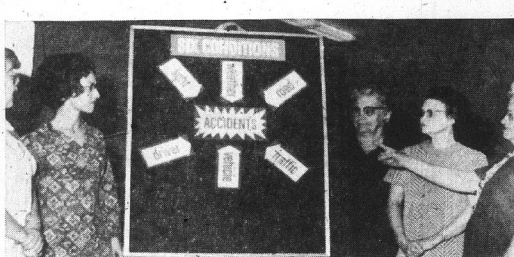

Women's Division to Hold Christmas Party

The Women's Division of the Chamber of Commerce of the Tri-Cities will hold a Christmas dinner party at 6:30 p.m. Wednesday, Dec. 9, at the Elks Club.

Members, husbands and friends will attend, and the past year's activities will be reviewed. Mrs. Jo Meyer is president of the division and Miss Hilda Schroeder is chairman of the dinner.

Cashes Forged Check

Police are searching for a man who cashed a \$50.00 check at the Pontoon Rock Shell Service Station last week. The check was returned marked forged Saturday.

DEFENSIVE DRIVING COURSE. Four Granite City women graduated from the Defensive Driving Course sponsored by the Farm Bureau Women's Committee. Receiving certificates were, left to right: Ada Matras, Mrs. Harry Deatheridge, Mrs. Leila Soehrig and Mrs. Edna Soehrig. Mrs. Clara Schilling, safety chairman, points to the six conditions causing automobile accidents. Instructors for the course are furnished by the Country Companies Insurance Co. and the Traffic Safety Division of the Illinois State Police.

Memorial Service Conducted for 3 50-Year Scouts

Three half-century scouts were honored at a memorial service during a monthly camp meeting of the Alton Mound Boy Scout Council executive board meeting Thursday evening at Sunset Hill Holiday Inn.

The council had honored the three—W. Carl Graham, James H. Adamson and Judge A. Austin Lewis—in person at the annual council appreciation dinner two years ago. It was noted all have since passed away. Mr. Graham was the first scoutmaster in the local council.

The special service was conducted by Gene H. Sternberg, a past president of the council and vice-chairman of Region Seven.

President G. Rollins Hest presided and appointed Walter F. "Mick" Strang as council activities chairman and Harry Wood as council public relations chairman.

It was announced that an open house will be held at the redecorated council service center from 7 to 9 p.m. Dec. 4 in 1971 contracts along with a substantial wage increase. President J. W. Abel said last week in releasing a 14-page list of requests.

Also sought are a four-day work week and improved pension-health benefits. He said the union will not push to eliminate a no-strike agreement under which complaints are settled through grievance channels.

Luria Executive Named To Manufacturers Post

Dale Fahrendorf, vice-president of Luria Brothers & Co., has been appointed to the board of directors of the Manufacturers Association of the Tri-Cities. It was announced by Paul Kemp, association president and plant manager of the A. D. Smith Corp.

Edward Duffin Named 'Diver of the Year'

Barry Maycock, 65 Riviera Drive, was elected president of the Bubblemasters' Scuba Diving Club of Granite City and Edward D. Duffin, 2240 Lynch Ave., was named "Diver of the Year" at the club's annual awards banquet Saturday evening.

A total of 114 area scuba divers and guests attended the dinner-dance affair at Augustine's restaurant, near Belleville, which this year featured for the first time presentation of five miniature silver loving cups in appreciation of services performed for the club.

Elected to serve with Maycock 1971 were Duffin, vice-president; D. L. "Whitey" Morrison, treasurer; and Mrs. Joan Rickey, secretary. Dr. Chris Geroff is the retiring president.

Duffin's nomination and selection as "Diver of the Year" resulted from "his outstanding contributions made to the club during the past 12 months," Dr. Geroff said.

In addition to arranging all dives for Bubblemasters' members, the award winner also participated in each activity and project sponsored by the club. He received a large trophy.

Appreciation awards were presented to Rex Waggoner, Morrison, Richard Griffin, Mrs. Rickey and the new president. A third place trophy awarded by the Mid-West Diving Council was received by Mrs. Mary Ann Clark of the local club as the winner of a council-sponsored non-spearfishing contest.

Joseph Clark accepted a traveling trophy in behalf of the Alton Master Divers Diving Club which won the annual inter-club championship dive conducted Labor Day weekend at Bull Shoals Lake. Mr. Clark, a member of the Bubblemasters and the Alton club, competed in the spearfishing contest in September as a Masketeer member.

The election and awards ceremony was followed with dancing to the music of "The Casuals."

School Administrators Plan Programs at Meet

A meeting of the Granite City Association of School Administrators was held last week at Nameki School with Principal Don Kopp as host.

President Charles Weiss welcomed five new members to the organization and reported that 23 members now belong to the group. Jim Jeffries, chairman of the Administrators Get Acquainted Barbecue that was held Oct. 23 at the Jaycee clubhouse, reported that the event was a success as 33 persons attended.

Don Kopp, co-chairman of the informational service committee, announced that he and Ed Goswa have recently been appointed to serve on a district wide informational program committee to organize and plan educational radio programs for Wgn.

These programs will be designed to be informational, interesting and pertinent to current school programs and will be announced.

In addition to the programs, the committee is also working on setting up a possible speaker's bureau, utilizing association members for speaking engagements at PTA meetings and other civic groups.

Goswa, secretary-treasurer, reported on the progress of the elementary intern principal program. Of the two elementary school principals already having had the services of Richard Ault, intern principal, each spoke highly of its merits and usefulness and felt that the program should be continued and expanded.

Ted Vrenick, principal of Wilson School, presented a report of the issues discussed and actions taken at the Illinois Elementary Principals Association meeting held in Springfield last month. He also announced that a dinner meeting is planned for all Marquette Division members at Skaggs Restaurant on Dec. 10.

Mrs. Elvera Kuergeles, director of special education district Region 1, informed the group that a course will shortly be offered for all administrators and teachers through the

SIU Extension Service dealing with "Psychological Aspects of Learning."

The course will be offered at the regional office and will carry four quarter hours of graduate credit.

At the Illinois Council for Exceptional Children meeting last month, Mrs. Kuergeles obtained information about the Title III diagnostic centers in Oletia, Kan., and Oak Park, Ill., and reported on how they have helped learning disability cases through the use of highly trained diagnosticians working with parents and children in a regular classroom setting on a one-to-one relationship.

Weiss concluded the meeting by effecting a motion to have the next regular meeting on Jan. 20 instead of in December because of the busy schedule that time.

Vandals Break Windows

Four six-foot-square plate glass windows were broken by vandals overnight at the Perdue Furniture Co., 910 Madison Ave., Madison, it was reported at 2:15 p.m. Thursday.

E-W Gateway Council To Meet Wednesday

A proposed contract with Computer Sciences Corp. for a planning and housing design system will be among topics considered by the East-West Gateway Coordinating Council Board of Directors Wednesday. The council will meet in the Exchange Room of the Market Street Holiday Inn, St. Louis.

Among the board members attending will be Henry D. Karandjoff, president of the Southwestern Illinois Metropolitan Area Planning Commission and board chairman of the Granite Trust and Savings Bank and the American National Bank of Granite City. Chairman of the council board is St. Louis Mayor A. J. Cervantes.

Other projects to be discussed include sewage treatment plant improvements and sewer construction plans for Belleville and construction of a sewer facility for O'Fallon. The annual "701" Planning Grant Work Program is also on the agenda.

PLAN CERAMICS STUDY

An outdoor program was held at a meeting of Marshall school Brownie Troop 140 with the leaders, Mrs. Faye Wentz and Mrs. Ruth Schreiber, at the school Wednesday. Assisting was Mrs. Charlotte Fuller.

Singing of troop songs opened the meeting and the girls discussed a breakfast with Santa Claus early next month. Final plans were made for a lesson in ceramics Dec. 10, the course will be taught by Donna Wilson on the school grounds.

Mrs. Wentz announced that next week the girls will work on "turkey" centerpieces for their families. The meeting adjourned with a friendship circle and "Taps" and the Brownies entered a "magic tunnel" to take part in a recreation period on the school grounds.

Responding to roll call were Cindy Barker, Patty Black, Laura Porre, Barbara Fuller, Kim Harris, Tammy Hutson, Kathy Joyce, Anna Miller, Kim Ragan, Pam Reynolds, Ann Schreiber, Sheila Sutt and Donna Wilson.

MRS. YETTER HOSTESS Mrs. Joan Yetter, 2420 Edison Ave., was hostess to the Kaffee Klatchers Social Club in her home Thursday morning and final arrangements were made for a gift exchange and Christmas party Dec. 15 at the home of Mrs. Doris Stotz, 2571 Hodges Ave. "Secret pals" will be revealed.

Table appointments were in an autumn theme with a large greenery centerpiece in a silver

filigree receptacle with matching candleholders.

Mrs. Yetter displayed a family collection of Dresden china figurines and several heirloom silver accessories. The hostess introduced her mother, Mrs. C. E. Wilson, formerly of Nebraska, who now lives in the Quad City area.

Each member brought her favorite Christmas cookies and recipes which were exchanged. Mrs. Gergen closed the meeting with prayer and prize winners at a game period were Mrs. Culpepper, Mrs. Nemeth and Mrs. Oglesby. The next meeting will be held Dec. 3.

CLUB AUCTION SALE

An auction sale was held during a meeting of the Will Shaw "Em Club" Thursday evening in the home of Mrs. Esther Reutzel, 1348 H Rock Road, using money earned during a six-week weight loss contest. A new contest will begin Dec. 3.

Mrs. Bernice Gergen, leader, called the meeting to order as she led them in the pledge of allegiance and the Take Off Pounds pledge. The weight recorder, Mrs. Katherine Smith, conducted roll call. Present were Mrs. Jackie Schulte, Mrs. Ruby Corbett, Gail Culpepper, Mrs. Gloria Harper, Mrs. Mary Nemeth, Mrs. Marie Oglesby, Mrs. Leona Benham and those mentioned.

A new member, Mrs. Pat Herschback, was introduced and Mrs. Benham was crowned "queen of the week." She was presented with the club t-shirt and a basket of fruit. The leader announced that, due to the holiday, there will be no meeting this week. Final plans were made for

the annual Christmas party Dec. 17 at the Reutzel home; a low-calorie covered dish menu was completed. Mrs. Gergen closed the meeting with prayer and prize winners at a game period were Mrs. Culpepper, Mrs. Nemeth and Mrs. Oglesby. The next meeting will be held Dec. 3.

The specialist was graduated in 1965 from Granite City High School. His wife, Linda, is with him in Alaska.

Daniel Walker to Seek Governor's Office

Daniel Walker, author of the controversial Walker Report on the riots in Chicago during the Democratic National Convention there in 1968, has announced his candidacy for governor in 1972.

Walker said he will depend on the voters of Illinois in the primary election for his endorsement and not the Chicago Democratic machine. "It is time for the people to take away from Mayor Richard J. Daley and a handful of Cook County politicians the power to choose the Democratic Party's candidates," he said.

New Constitution Offers Strong Government With Adequate Local Control, Farmers Told

Adoption of the proposed new Illinois Constitution can be a major step forward in slowing the rapid trend toward greater centralization of power in Springfield and Washington, the head of the Illinois Agricultural Association said late last week.

In an address in Chicago to farmers at the 56th annual meeting of the IAA, the nation's largest state-wide Farm Bureau, William J. Kuhfuss urged widespread rural support of the proposed new constitution in the Dec. 15 referendum.

Kuhfuss is a livestock and grain farmer of Mackinaw in Tazewell County.

Engelke Elected

The IAA has a membership of more than 190,000 families. Among those elected at the meeting were Wilbert Engelke of Granite City, re-elected as a director of the Quality Producers Association.

"The proposed constitution is a good constitution," Kuhfuss said. "It contains many sound provisions of the present constitution."

"It eliminates much of the detail that has inhibited the legislative process. It provides the flexibility to prevent its becoming outdated again as changes dictate future needs. It adds new provisions which are needed to guide us in the future."

"It provides the opportunity for people to develop the kind of local government which they want to serve their needs, and at the same time provides greater local control for solving local problems."

Kuhfuss said farmers are for strong local government with

local control—a provision of the new constitution.

More Equitable Taxes

"The proposed constitution provides an opportunity for the state to have a more equitable revenue system to finance the needs of state and local government. It provides an opportunity for the relief of property taxpayers."

"On balance, the new constitution is a vast improvement over the 1870 Constitution now in effect."

"The real issue in the campaign ahead to seek voter approval of the proposed new constitution is not a discussion of what might have been, but a clear and concise appraisal of whether the new constitution will better serve the state for the future than the 1870 Constitution under which we now operate. I personally am convinced that it will."

Kuhfuss serves as co-chairman of the Citizens Committee for the New Constitution.

Priority Lacking

Turning to the field of national legislation, Kuhfuss observed that the experience of the past year indicates that agricultural concerns are well down the list of priorities of both political parties.

He noted that, as of last week, there had been no action by Congress on legislation concerning farm labor, farmers' bargaining power, foreign trade and farm policy.

"If the developments in the recent farm legislation fight are an accurate reflection of the real situation, it appears that political interests supersede the interest of farmers in any consideration of farm legislation."

ation needed in the best interest of the farmer and of the farm worker is labor relations.

"If enterprise is to be preserved, the monopoly that labor is enjoying must be controlled," Kuhfuss said. "Labor should have comparable anti-trust restraints as business."

However, agriculture cannot ignore nor deny the rights of labor to organize and bargain collectively, Kuhfuss noted. He said farmers risked some ground rules for dealing with union organizational efforts.

"Perhaps the agricultural exemption in the National Labor Relations Act should be eliminated and reasonable special rules for agriculture should be inserted into the Act," he said.

Waterfowl Are Migrating by The Millions

Millions of waterfowl are migrating from nesting areas in the north to the wintering grounds in southern Illinois, Arkansas and other states down the Mississippi flyway.

Frank Bellrose, Havana, wildlife specialist for the Illinois Natural History Survey, found plentiful numbers of waterfowl moving into Illinois on a census flight.

More than 109,000 ducks were sighted on the upper Illinois River between Peoria and Hennepin and more than 180,000 below Peoria.

Bellrose observed 85,000 mallards and 3000 blue and snow geese on Senawhine Lake. There were 8000 mallards, 1200 pintails and 1200 blue and snow geese on Goose pond.

Below Peoria, Bellrose sighted 34,000 mallards at Big Lake and 8000 mallards, 3700 coots and 4000 blue and snow geese at Lake Chautauqua. There were 85,000 mallards, 5500 coots and 8000 blue and snow geese at Crane Lake.

Grass Lake had 2500 mallards, Rice Lake 6000, Triam Lake 3500, and Big Prairie Lake 11,000. Jack Lake reported 12,000 mallards and Merced Bay showed 1300. There were 8000 mallards at Cuba Island.

Ducks Aplenty
The Mississippi River had more than 453,000 ducks. The Mississippi valley totaled over 312,000 ducks from Keokuk north and more than 141,000 ducks below Keokuk.

The largest concentration of ducks north of Keokuk were 100,000 lesser scaup, 2000 ring-necked, 8500 canvasbacks and 1200 coots spotted near Nauvoo. There were 65,000 mallards, 5000 pintails, 5000 black ducks and 650 green-winged teal at Louise Refuge, Lake Odessa, in Iowa.

There also were 1200 Canada geese and 3800 blue and snow geese. Near Oquakwa 4000 mallards were spotted at the Keithsburg Refuge.

Below Keokuk, 16,500 mallards, 700 green-winged teal, 4000 widgeons and 3200 lesser scaup were spotted at Swan Lake. At Gratton 3000 mallards were sighted by Bellrose. There were 12,000 mallards, 2000 pintails and 3200 coots between Batcheson and Hamburg. The count was 10,800 mallards, 3000 pintails and 2700 coots at Louisiana, Mo.

In St. Charles County, Mo., 14,500 mallards, 5700 pintails and 6000 blue and snow geese were reported by Bellrose at the Cuiver Club. The Dardene Club had 40,000 pintails and 2400 mallards and the Marias Tempe Claire showed 1800 coots and 4200 blue and snow geese.

Wrestling Warriors Begin With Quadrangular Saturday

The Granite City High School's wrestling Warriors will open their 1970-71 season at 1 p.m. Saturday in a quadrangular meet here against Jacksonville, Peoria, Richwoods and Ottawa. Last year the Warriors won the meet, outscoring Richwoods 70-45, Jacksonville was third and Ottawa fourth.

The chances of matching last seasons 16-and-2 dual meet record and five tournament championships appear rather remote as the squad has been heavily depleted thru graduation according to Coach William Schmitt.

Returning squad members with some varsity experience are seniors Mark Mizerski, 238, 7-and-4, Tom Eaton, 138, 0-and-2, Rick Wickham, 155, 1-and-5, Mike Garland, 132, 1-and-0, and Mike Wilson, 185, 1-and-0.

Juniors returning are Chris Hartzal, 119, 7-and-3, plus tournament championship, Kevin Weibler, 126, 1-and-0, and Randy Ganz, 155, 0-and-1.

Coach Schmitt is assisted by Walt Whitaker and Dale Rice. Season Tickets on Sale for GC Games

Reserved seat season tickets for Granite City High School basketball games are on sale at the school office at \$10 for 10 games.

Reserved seat holders will have priority on obtaining tickets to tournaments, according to Principal Lawrence McCauley. Also available are reserved seat tickets for the opening game of the season Dec. 1 at Matre Del Brees.

Vandalism Charged
Police arrested Richard Brawley, 18, of 2033 Lindell Blvd., and charged him with criminal damage to property after he and three other youths allegedly kicked the right doors of a car of John Comer, 2808 Cleveland Blvd., while he and a passenger were in it at 2 a.m. Sunday. The passenger, Wayne Shoemaker, signed the complaint against Brawley.

Harris School Vandalized
Vandals ransacked the principal's, secretary's and school nurse's offices at Harris Elementary School, 7th Street and Alton Road, Madison, it was reported at 11:20 a.m. Saturday. Nothing of value was taken. Entry was gained by breaking a window in the principal's office.

VAIN ATTEMPT TO STOP a goal by Southern Illinois University-Southwestern's Chris Carezza, right, being made by Flaviano Rosati of Cleveland State in the local Cougar's 6-0 victory Saturday in a semi-final game of the Midwest NCAA soccer tournament. St. Louis U., which blanked Akron 7-0, will play the Cougars Saturday for a berth in the four-team NCAA national championship tournament to be held Dec. 3 and 5 at the SIU-SW field.

Cougars Blank Cleveland 6-0, To Play Bills in NCAA Meet

There was never any doubt of either games' outcome. About the only question was: the final score.

It seemed that both Southern Illinois University-Southwestern and Jacksonville Cougars were intent on using their games as warm-ups for their championship bid in the Midwest Regional National Collegiate Athletic Association soccer tournament.

Coach Bob Guerler's SIU-SW Cougars got the semi-final action underway Saturday at Edwardsville by romping over Cleveland State, 6-0. In the second contest, Coach Harry Keough's Bills appeared to be having a little difficulty matching the Cougar's point-making as they met the University of Akron.

Entering the fourth quarter, the Bills led the Zips of Akron, 3-0, and the crowd of 876 paying fans began yelling for St. Louis to make it 6-0. Keough's charges more than responded. Peppering 21 shots in the final quarter, the Cougars blasted in two goals in the game's final three minutes to make it 7-0.

For the entire game, St. Louis had 39 shots on goal to four for Akron.

The Cougars' scoring was mainly a family affair by the Carezza brothers, John and Chris, although the entire front four got into the act. Big John got the Cougars on the score board at six minutes into the first quarter as he soloed the ball into the net.

Chris got his second goal later John's kid brother, freshman Chris, took a pass from John and booted the ball in.

Chris got his second goal 9:00 in the second on a clever set-up by freshman Tom Twelvetree. Nine minutes later, Chris fed a deceptive pass to Jack Blake, who neatly put the ball into the nets and the Cougars had themselves a 4-0 lead at the intermission.

John Deibowski, whose clever ball-handling appeared to dazzle and enrage the Cleveland State players, took the ball from midfield and dribbled it clear through the Ohio team's defense to score unassisted at 3:55 in the third quarter. John Carezza, an assist from Dan Draude, completed the scoring at 16 minutes into the fourth period.

The Bills, like the Cougars, opened their scoring at six minutes in the opening quarter. Dan Draude, took a pass from Jim Draude and booted the ball in. Akron's defense stiffened at this point and the Bills had to settle for a 1-0 first quarter lead, but from that point on the visitors seemed to wilt as St. Louis scored pairs of goals in the second, third and fourth quarters. Dennis Hadican made one, Mike Seery added two, Counce one more, and Pat Leahy and Jim Boken one each.

A decision on the site of next Saturday's game between the Bills and the Cougars had been promised after the two games, but Coach Keough said he would poll his squad today on the players' preference of whether to play at Musial Field in St. Louis or at the Cougars' field.

Last year, the first season the Cougars had been eligible for postseason NCAA competition, SIU-SW lost to St. Louis U., 4-0, at Musial Field and the Bills went on to win the national championship.

This campaign, in regular season play, the Bills turned back the Cougars 3-1.

Trojan Football All-Stars Shine; Chandler to be Back

One of three Madison High School football players selected to the Midwestern Conference All-Star offensive and defensive teams will be back next year when the local Trojans will be playing independent ball.

He is Ed Chandler, chosen as the top offensive halfback, who accounted for 15 touchdowns and 94 of Madison's 165 points during the season.

Chandler racked up 1,400 yards rushing, 800 yards passing and 300 yards on punt and kickoff returns. During the Roxana game, he made a 100-yard run for a TD, breaking the school record set in 1947 by Richard Krieschok, now a lieutenant on the Madison police force. Krieschok made a 99½-yard pass interception against East St. Louis.

Harold Campbell, a senior, made both the offensive and defensive All-Conference teams. According to Coach Al Vonder Haar, "Campbell is the best blocker I have ever seen in high school football. No one ran through our middle. They sometimes went around us, but nothing got through the middle. Campbell is the type of player who is giving 100% effort all the time." Campbell was chosen in 1969 as the second team defensive guard.

Trojan Courtney Prothro was chosen as a defensive tackle. He also made the second All-Star team on offense.

Highland, league champion with an undefeated record, dominated the All-Star selections with five players on the first eleven.

Highland's first team selections are end Larry Mohme, tackle Dennis Merkle, Ray Bacher, tide for guard, Gave Michael, tied for quarterback, and halfback Rick Moss.

Bethalto is represented by guard Terry Moran, center Mike Wall, Dennis Jones, tied for quarterback, and fullback Rick Inel. Completing the top offensive team are end Bob Kissack and tackle Jerad Palaty, both of Roxana.

In addition to Prothro, the top defensive team consists of ends Matt Duffin of Highland and Greg Mich of Bethalto, tackle Rick L. Wilson of Roxana, guards Darrell Plank of Roxana and Campbell of Madison, linebackers Tom Vonder Haar of Highland, Rick Wilson of Roxana and Terry Thornton of Bethalto, and halfbacks Dennis Jones of Bethalto and Ron Dicus of Highland.

Trojans making the second team on offense were Wayne Wilborn, end, and John Mangoff, center. Named to the second defensive lineup were halfbacks Rhodes, end, and Bobby Simms, linebacker.

Receiving honorable mention were Simmons, end, Rhodes, tackle, and Austin Lewis, quarterback. Lewis also received honorable mention as a linebacker and Dwayne Shaw as defensive halfback.

The All-Conference second offensive team consists of John Eaves, end, Bethalto; Wilborn, end, Madison; Bill Horton, end, Triad; Prothro, tackle, Madison; Rick Wilson, guard, Roxana; Rick Ebl, guard, Triad; Mangoff, guard, Madison. No second team quarterback was chosen.

The second team backfield is Rick Lewis, halfback, Triad; Wayne Wolf, halfback, Dupon;

and Steve Luber, fullback, Highland.

On second team defense are Mike Yates, end, Triad; Rhodes, end, Madison; Terry Moore, tackle, Bethalto; Dennis Merkle, tackle, Highland; Vern Uhe, guard, Highland; Bob Vocker, guard, Bethalto.

A four way tie for defensive linebacker occurred between Tony Howard, Triad; Terry Burton, Dupon; Simms, Madison; and Floyd Bevis, Highland. Halfbacks chosen were Wayne Wolf, Dupon, and Mike Harvick from Roxana.

The Midwestern Conference will be history after this year. With the dust all but settled, the Trojans slipped from first place in 1969 to fourth in 1970 with a final conference record of 2-and-3. Highland finished in second, with a 4-and-0 league mark and 6-and-0 overall.

Venice Red Devils Open Season Saturday

The Venice High School Red Devils start the ball bouncing Saturday when they travel to Bunker Hill for the opening basketball game of the season. Last year the Red Devils had an excellent 21-and-3 record.

They play an independent schedule, with some schools much larger. Vashon of St. Louis has been added to this season's schedule. The enrollment at Vashon is more than 2,000 as compared to about 225 at Venice.

The Red Devils lost their first and third top scorers to graduation. They are Fessor Gray who averaged 25 points a game, and Andre Johnson, who averaged 13.

The tentative starting five for Venice will be Algie Smith, junior, 6-1, at center.

Ray Mosby, sophomore, 5-9, and Jim Ohlendorf, junior, 6-0, at guard and Doug Johnson, junior, 6-0, and Cedric Gardner, senior, 6-1, at forward. All five starters are returning lettermen for Venice.

Filling out the first 10 Red Devils, who are not assigned specific positions, will be Malcolm Bradley, junior, 5-10; Dan Severs, sophomore, 5-10; Randy Sutton, sophomore, 5-8; Rick Gonterman, senior, 5-10, and Tony Sutton, freshman, 5-11.

Coach Ohlendorf said, "At this point we are a little behind the standards we have set, but we will have a full week of hard practice to get ready for Bunker Hill which will be a real tough game."

Warrior Soccer Season to Open Tuesday at St. Henry

The Granite City High School soccer season gets underway today with a junior varsity game at 4 p.m. here against Whitfield of St. Louis.

The varsity team will travel Tuesday for a game with St. Henry at 4 p.m.

Joseph H. Fedora, director of athletics, is attempting to get the Southwest Conference to include soccer in the program as a conference sport.

Fedora has contacted several other conference schools and has a favorable outlook, but scheduling problems and other details must be worked out.

Home games for the Warriors soccer team will be at the high school football field. Tom Wyrnski will be the varsity team coach, and Stan Wojcik will coach the sophomores and junior varsity teams.

Ebersoldt Wants Levee Bills Read in Meeting

William "Mike" Ebersoldt of Venice, Madison county member of the East Side Levee and Sanitary district, refused in a recessed meeting Friday to approve the claim and payroll list and told other members of the board of trustees that he will vote only on bills that clear through the board as a whole during regular meetings.

At the same time Ebersoldt disclosed that he has refused for the past nine months to sign bills other than those for his own requisitions and said that for that reason he was unaware that the district had paid \$5,390 to secretaries of two of its attorneys. One secretary is the wife of one of the attorneys and used her maiden name to file the claim for the fee, Ebersoldt pointed out.

Ebersoldt said that he will insist that claims and payroll vouchers clear through the board of trustees before they are submitted for board approval only in the form of a total figure presented by the chief clerk, Ben Campbell.

Unaware of Payments

The Madison county board member said he did not know about the secretarial payments, "but I sure intend to look into it."

Lawrence Tolar, an East St. Louis member of the board, said he was aware of payment of the secretarial bills but did not know that one of the secretaries was the wife of one of the attorneys.

Ebersoldt said he was at the two October meetings in which the bills were approved in an overall bill list, in which Ebersoldt concurred.

"I may make mistakes, but they are honest mistakes," the board member said. "If this is what happens by approving a lot of bills at one time, then I guess all the bills will have to be read separately."

To Subpoena Records

Meanwhile, Assistant State's Attorney Marshall Smith of Madison county said he intends to subpoena levee district records to investigate the payment of secretarial fees. Smith said he also plans to subpoena Bert H. Allison, head of an East St. Louis accounting firm that handles the levee district audit. Records of payments to levee district attorneys also will be brought in, Smith said.

Tolar declared Friday that he did not believe a separate fund for the Madison county sector of the levee district, permitting it to operate on its own, is possible. He said the district budget is adopted in January.

According to Ebersoldt, Madison county taxpayers in the Quad-City area pay more than \$1 million a year into the district, but last year received only \$300,000 in services.

Earl C. Voss Jr., 69, Stricken, Dies Here

Earl C. Voss, Sr., 69, of 2425 Adams St., was pronounced dead upon arrival at St. Elizabeth Hospital at 11:50 a.m. Sunday after he was stricken with an apparent heart attack at home. He had been ill since February.

Mr. Voss was born in Rushville, Ind., and lived here since 1918. He was retired from Dressel where he has been employed 33 years as a driver. He was a member of the Teamsters and Chauffeurs Union 325 and was a member of the First Assembly of God Church.

He is survived by his widow, Mrs. Ruby M. Voss; four sons, Earl C. Voss Jr., and Bud, Billy Joe and Larry Voss of Granite City; four daughters, Mrs. Fred (Janey) Kaucher of St. Louis, and Mrs. Robert (Luelia) Humphreys, Mrs. Frank (Barbara) Schwertmann and Mrs. Larry (Donna) McIlvoy of Granite City and 22 grandchildren.

Funeral arrangements are being made in today's obituary column.

OUCH, IT HURTS! But it doesn't look like it on the grinning face of Lugard Osonbor, Nigerian student at Southern Illinois University-Southwestern, as he receives a diphtheria immunization shot from Richard Shirley, public health officer. More than 250 faculty, staff, students and their families took advantage of the free clinic sponsored by the university and Illinois Department of Public Health.

velop, not prejudiced by race and able to relate to both students and parents of all races.

The request for extra help was made by students and parents at meetings with school officials and board members following a student boycott at the school Nov. 10 and 16.

Four Boys Reinstated

Four boys suspended from the high school Nov. 9, for having participated in a fight which started the student unrest and the boycott, were reinstated as students on probation by the board at last night's meeting.

The board also expelled a girl from the high school for the remainder of the year for misconduct due to an unrelated incident.

School Attorney John Gilchick reported that he has received notice from a federal judge stating that in the court's opinion District 12 has been making satisfactory efforts to meet the integration requirements set forth in a federal suit filed last year.

If the board continues to work toward racial balance in the school district's facilities and student bodies, the court will drop the suit, the notice said. A motion to comply was approved and Gilchick was instructed to notify the court of the compliance so that further federal action may be dropped. Under the compliance agreement, the board will be required to submit a letter indicating the racial balance of each school's student body and faculty each six months.

The board also voted to accept the resignation of Miss Linda Allen, an elementary teacher at Dunbar School, and to hire Mrs. Catheryn McIntosh, a student teacher from Southern Illinois University-Southwestern campus, who is presently teaching at the school, to fill the vacancy until the end of the school year. She will be hired upon graduation next month.

Continuation of the Blue Cross and Blue Shield insurance plans for district employees was approved, but board members said the alternative plans with other companies should be considered next year.

Ray Kauchek, treasurer, reported that \$204,500 was paid out of the educational fund in October. Receipts amounted to \$137,187.

Cash balance in the Educational fund on Nov. 1, was \$391,063, he reported.

The building fund paid out \$11,767 in October and received \$2,887 leaving a cash balance of \$86,240, Kauchek said.

Airline Man of Year

He was named "man of the year" this year by the Airline Traffic Association, composed of airline executives, and was in charge of the ground force last June which captured the hijacker of a TWA airliner at Dulles. FBI and security men shot out the tires of the plane, held by the hijacker for payment of a \$100 million ransom.

He and his wife, Louise, are parents of four children, three of whom are still attending college.

"I have no preconceived ideas about this exciting project. But I am happy to be on the frontier of aviation, where the action is. Few challenges can equal the one I will be assuming here."

Ogilvie noted that Saunders "has given us full assurance of his desire to work in the closest harmony with the city of St. Louis and agencies in the area concerned with keeping St. Louis a great jet age aviation center."

His record demonstrates his objectivity and fairness, and his ability to work with the many official and private groups involved in a large undertaking."

Saunders attended the University of Virginia, North Carolina and Minnesota. He is a native of Agawam, Mass.

Plans for development of the new airport were announced here in April by Cervantes and Ogilvie at a joint news conference.

Completion of the project, Ogilvie said, will take approximately 10 years.

Former GC Resident Heads Illinois Assemblies of God

The Illinois District Council of the Assemblies of God announced today that the Rev. Richard W. Dorch of Carlinville, a former local resident, has been elected as superintendent of the Assemblies of God in Illinois.

The evangelical church organization of 200 churches in Illinois elected Rev. Dorch at a special called Council in Peoria. He succeeds the Rev. E. M. Clark, who was recently named as president of North Central Bible College in Minneapolis.

The Rev. George E. Mandel, pastor of the First Assembly of God in Joliet, was elected as the secretary-treasurer. Rev. Dorch received his theological training at North Central Bible College, Minneapolis, and is a graduate of the language school, University of Liege, Belgium.

He has been pastor of churches in South Dakota, Kansas and Illinois; served as

president of Emmanuel Bible Institute in Andromont, Belgium; and served as field fellowships secretary for the Assemblies of God in Europe. He has served as secretary-treasurer of the Assemblies of God in Illinois for the past four years.

Rev. Mandel has served as the director of youth and education, presbyter, assistant district superintendent of the Illinois District Council and as a general presbyter of the General Council of the Assemblies of God. Before accepting his present pastorate in Joliet, he served as pastor of churches in East St. Louis and Springfield, Ill.

Rev. Dorch, a former resident of Granite City, is the son of Mr. and Mrs. Harry Dorch of Collinsville. Rev. and Mrs. Dorch and their children, Deanna and Richard II, reside in Carlinville in the state headquarters of the Assemblies of God.

Battery, Theft Counts Filed after Scrapes

David Farley, 20, of 2716 Myrtle Ave., was charged with battery Thursday on a complaint signed by Verna Mae Farley, 2712 Denver St., who claimed she was struck in the back with a shotgun and hit about the arms, chest and face on Wednesday.

Farley pleaded innocent, requested a jury trial and was held on \$2,000 bond.

Mrs. Farley, 33, also was arrested on charges of auto theft and battery on two-month-old warrants filed by Vincent Edward Taylor after she was driven to the home in the 2200 block of Edwards Street at 11:05 p.m. Wednesday, police reported. The driver was accused by two men in the home with a shotgun, was threatened with a knife and was struck with fists and cut with a knife, officers said. He was treated at St. Elizabeth Hospital and refused to file charges.

Mrs. Farley also pleaded innocent and was held at the Madison County Jail.

Government Recruiting 2000 'Sky Marshals'

The Federal Government is recruiting for 2000 Customs Security Officers (Sky Marshals) to serve on commercial airlines and in airport terminals to prevent hijacking. There are career jobs with the Bureau of Customs, and will pay from \$5,853 to \$8,098 a year.

To qualify for Sky Marshal jobs applicants must pass a written Civil Service test. They also must be 21 years of age or older and demonstrate the ability to deal effectively with individuals and groups; exercise originality, sound judgment and make speedy decisions; interpret and correctly apply regulations or instructions; and prepare clear and concise written reports. Only male candidates are being recruited.

For information about this Federal employment opportunity applicants may contact Federal Job Information Center, Federal Building, 1520 Market Street, St. Louis, Missouri 63103.

New Realty Firm Opens in Mitchell

A new real estate agency, Ed Young Realty Co., will conduct a grand opening soon at its new office, 520 East Chain of Rocks Road, Mitchell.

Ed Young has been in the development and real estate business many years and has been affiliated with Consolidated Home's Development Corp. in Wood River.

The new firm specializes in home development under the "235" subsidy program of the Federal Housing Administration but also will deal in general real estate and building transactions. The Gil Gilliland Construction Co., which is located in the same building, will handle contracting work for the new organization.

James C. Whitt, who formerly was with a Granite City real estate agency is office manager for the new firm.

MR. AND MRS. DAVID FORGUSON, who were married Saturday at Cayuga Temple. The bride is the former Janette Parmley.

Miss Janette Parmley Weds David Forguson

The wedding of Miss Janette Parmley, a daughter of Mr. and Mrs. James Patterson, 4552 Walker Ave., and David Forguson, son of Mr. and Mrs. Garret Forguson, 2716 Saratoga Ave., was solemnized Saturday afternoon at the Cayuga Temple with the Rev. Larry Jackman officiating at 1 o'clock.

White and purple flowers and greenery decorated the altar, and a reception was held after the ceremony in the church social rooms.

The bride, given in marriage by her father, wore a gown of white peau de soie with a fitted lace bodice, a square neck and long traditional sleeves. The full skirt, which ended in a train attached at the waist with a large bow, was appliqued with lace motifs and pearls. Her shoulder-length veil of bridal illusion was held in place with a matching fabric headpiece dotted with pearls and she carried a cascade of white carnations centered with purple carnations.

The bride's mother chose a pink knit dress, while the bridegroom's mother appeared in aqua. Both had white carnation corsages.

William Keith served as best man, with Terry Kelman, as groomsmen.

After a wedding trip to California the newlyweds will reside in the Granite City area. Both young people are graduates of the local high school and Mr. Forguson is employed by the Clark Oil Co.

Miss Sherri Forguson was in charge of the guest book at the reception.

Gail Lee Eavenson, John Frazier Nuptials

The wedding of Miss Gail Lee Eavenson, a daughter of Mr. and Mrs. Joe Eavenson, 2708 Iowa street, and John Frazier, son of Mr. and Mrs. Harold Frazier, 2235 Lincoln Ave., took place Saturday evening at the Vaughn Hill Church of Christ in Wood River.

Mr. Philip Powers officiated at the 7 o'clock ceremony before the altar decorated with bouquets of white flowers and greenery and illuminated with burning candles in candelabra.

Preceding the service Terry Bell of Abilene Christian College in Texas sang "Twelfth of Never," and the Lord's Prayer. There were also several songs by the Church of Christ Acapella Chorus directed by Tom Hawkins.

The bride wore a gown of white velvet with an Empire waist and a cathedral train. A headpiece of Venice lace held in place a long veil of lace and tulle and the bride carried gardenias and stephanotis on a white-velvet Bible.

Debbie Robinson was maid of honor, and Jennifer Bailey, Mrs. Randy Keck, and Robyn Champion served as bridesmaids. They wore gowns of hot pink with tight fitting waists and cummerbunds, long sleeves buttoned at the wrists and matching headpieces. They held baskets of pink carnations.

Wendi Bono, a niece of the bride, was flower girl, and Donald James, the bridegroom's cousin, carried the rings. The former was dressed as a miniature bride in white peau de soie and carried a basket of rose petals.

Michael Curtis was best man, and groomsmen included Randy Hayes, Rick Lesko and Randy Keck, Brad Eavenson and Ted Frazier, brothers of the bride and groom, served as ushers.

The candles were lighted by Mark Eavenson and Michael Frazier, two other brothers of the couple.

The bride and groom attended the local schools and Mr. Frazier is employed by General Steel Industries. The former Miss Eavenson is an office employee of the Libson Acceptance Corp. in St. Louis.

For her daughter's wedding Mrs. Eavenson wore an aqua knit costume, while the bridegroom's mother chose a Burgundy knit. Both wore matching accessories. Mrs. Eavenson's corsage was gardenias, and Mrs. Frazier complimented her costume with an orchid corsage.

The newlyweds have dispensed with a honeymoon trip and will live at 2046 State St.

The wedding reception was held in the church social rooms.

St. Bartholomew Service Thursday

Thanksgiving Day will be observed at St. Bartholomew's Episcopal Church, Twenty-Second Street and Grand Avenue, with a special celebration of the Holy Eucharist and Sermon beginning at 9:30 a.m. Thursday. Fr. Wilbur J. Lear, Rector of the local parish will be the celebrant and preacher.

Mr. Jack J. Huckaby will preside at the organ, providing the traditional hymns of Thanksgiving and Harvest Home.

A Thanksgiving Eucharist will be offered at St. Thomas Church in Glen Carbon on Thanksgiving Eve, Wednesday beginning at 7:30 p.m. The church in Glen Carbon is located at the corner of School and Summit Streets.

NIEDRINGHAUS PTA TO MEET TUESDAY

The Niedringhaus School PTA Tuesday evening at 7:30 in the school gym.

A program on "drugs" will be presented by Jerry Brown, assistant principal of Central Junior High School. The school year books will be distributed at the meeting and fifth and sixth grade room mothers will serve refreshments and hold a cake walk. The executive board will have several stationery and jewelry items on display, ideal for Christmas giving.

Mrs. Friedman Hosts Coterie

Mrs. David Friedman was hostess to the Ladies Coterie Thursday afternoon in her home, 2820 State St.

Mrs. Clarence Boettger, president, conducted the business session and a donation of \$10 was made to the Lovejoy Library at SIU-SW.

On display were ten dolls dressed by the members for the Granite City Trust and Savings Bank, and an offering was taken for CARE, a Federated club project.

An invitation was read to a reciprocity tea to be given by the Schubert Club of East St. Louis on Dec. 7, and Mrs. Boettger reminded the members to continue saving coupons which are to be used toward the purchase of a kidney machine.

Twenty Braille books have been assigned to the club to be presented to a library.

A dessert course was served to 30 members of the club and the meeting opened with the club collect by Mrs. E. J. Griffith, the pledge to the flag led by Mrs. G. E. Halyama, and the song "God Bless America," with accompaniment by Mrs. E. F. Reiske.

Mrs. W. G. Cooley and Mrs. C. L. Louis of the public affairs committee, read articles entitled "Administration of Justice and Law Enforcement," and "America's Heritage."

Plans were made for a Christmas party Dec. 3 at Mr. Voc's Restaurant in St. Louis where a noon luncheon will be served and there will be a \$1 gift exchange.

The meeting closed with a Thanksgiving prayer by Mrs. Fred Haug and a "silent" auction.

NAVY MOTHERS ENROLL NEW MEMBERS

Quid-City Navy Mothers 85 held a business meeting Thursday evening at the VFW hall and enrolled two new members, Mrs. Eileen Gray and Mrs. Edna Miller. Twenty-two were present.

Christmas checks were sent to 14 sons in service, and contributions of \$25 each will be forwarded to Jefferson Barracks Hospital; Danville Veterans Hospital; Camp Lejeune; Philadelphia Service men's Center; and Blue Jacket Haven in Oakland, Calif.

The "mystery package" was won by Mrs. Norma Darnell and plans were made for the next meeting Dec. 3.

POSTAL CLERKS AUXILIARY MEETS

New officers were elected by Postal Clerks Auxiliary 182 at a meeting Thursday evening in the home of Mrs. Brenda Schoenhardt.

They were Mrs. Iria Allen, president; Mrs. Beulah Kriska, vice president; Mrs. Shirley DeCary, secretary; Mrs. Schoenhardt, treasurer; Mrs. Rose Yates, chaplain; and Mrs. Hilda Few, reporter.

The officers are to be installed at the Christmas party Dec. 10 in the home of Mrs. Few.

DOLLS DRESSED by members of the Ladies Coterie and displayed at the club meeting Thursday. The dolls are to be on display in the lobby of the Trust and Savings Bank and later will be among others dressed by local organizations for distribution at Christmas to needy children by the Protestant Welfare Association; the Catholic Charities, the Salvation Army and other welfare organizations. The members who took part in the project were Mrs. T. C. Auferheide, Mrs. Clarence Boettger, Coterie president; Mrs. E. H. Theis, Mrs. Mark Pickett, and Mrs. E. F. Reiske.

BAPTIST CHURCH HOLDS FAMILY NIGHT

First Baptist Church held a "Family Night at the church the past week with 65 present.

Mrs. Marie Parks was in charge of decorating, and the dining hall carried out a Thanksgiving and harvest theme with green and gold.

The tables were lighted with green and gold tapers and the buffet table held an antique spinning wheel, fruits, vegetables and a flickering lamp.

After prayer and the Scripture message read by the pastor, Rev. Ray Eitelman, the brotherhood, Women's Missionary Society, and all Auxiliaries held individual meetings.

Plans were made for a week of prayer for foreign missions, beginning Nov. 29 and continuing through Dec. 6. Also discussed was an all day meeting and pot luck luncheon Dec. 1 to which all men and women of the church are invited.

It was voted to provide boxes in each Sunday School department for the donation of food for Christmas baskets.

The church will host the annual Pastors and Wives Luncheon at the Madison County Association of Baptists Dec. 15.

The program on missions in Argentina was given under the direction of Mrs. Eitelman and the meeting closed with prayer for missionaries celebrating birthdays.

PARTY FOR HOPE BIRTHDAY CLUB

The Hope Birthday Club of Granite City meeting, at the home of Mrs. Mary Ann Robinson, Collinsville, Thursday afternoon for the annual Thanksgiving gathering, decided to donate to the Clarence Griffin Jr. Kidney Fund of Ferguson, Mo.

Games were played and prizes were won by Mrs. Linda Flaugh, Mrs. Margaret Fitch, Mrs. George Gizzard and Mrs. Rena Birling. Others in attendance were Miss Maggie McCoy, Mrs. Phyllis Ryan and her daughter, Miss Colleen Ryan, Miss Rhonda Flaugh, Mrs. Cecelia Kuhlman and Mrs. Opal Blevins. A covered dish luncheon was served and a prayer was offered for the sick.

MR. AND MRS. THOMAS G. REYNOLDS. They were married Saturday evening at Cayuga Temple.

Tyonia Gerine Parker, Thomas Reynolds Wed

Miss Tyonia Gerine Parker, a daughter of Mr. and Mrs. A.J. Parker, 604 Chouteau Ave., and Thomas G. Reynolds, son of Mr. and Mrs. Gene Reynolds, 781 Tracy Drive, exchanged wedding vows in a ceremony taking place Saturday evening at the Cayuga Temple.

Miss Becky Maynard presided at the organ and accompanied the vocalist, Mrs. Sandra Smith, as she sang "I Love You Truly."

The bride wore a gown of white silk organza over pale de soie. The fitted bodice had a round neck trimmed with scalloped Alencon lace, a full skirt of seed pearls and belted kabuki sleeves. The bouffant skirt was enhanced with lace motifs which formed cascading bows to the hem line and a full court train delicately traced with matching lace motifs was secured at the shoulders.

The bride wore a double lace crown edged with pearls and held in place by bouffant veil of imported illusion. She carried a bouquet of white carnations. Mr. Parker gave his daughter in marriage.

Mrs. Betty Johnson was matron of honor, and Miss Pam Maxwell, a cousin of the bride, was bridesmaid. They were dressed alike in sapphire blue velvet gowns and carried bouquets of blue frosted carnations.

A little flower girl, Rena Stark, dressed like the older attendants, carried a basket of rose petals. Terry Reynolds, the bridegroom's brother, served as ring bearer.

Larry Johnson was best man and Monty Rapp served as groomsmen.

Randy Parker and Jim Cox, a brother and cousin of the bride, seated the guests.

For the wedding Mrs. Parker wore a rust-colored dress with burnt orange accessories. The bridegroom's mother was in pastel blue with a matching coat and blue accessories. Their flowers were white carnations.

The wedding reception was held at the Pontoon Beach Firemen's Hall. Mrs. Sandra Smith was in charge of the register. The bride and groom attended Granite City schools and Mr. Reynolds is employed in Alton. They will live in Granite City.

GOD PROVIDES GOALS, IDENTITY—LECTURER

Life need not be a mingling of good and evil, hardships and empty promises, Norman B. Holmes of Chicago said in a lecture Friday evening at the First Church of Christ, Scientist.

Merely looking into the maze of personal problems in search of satisfaction, fulfillment and identity is to misdirect one's energies, he said. He added that, by learning more of God as the source of man's identity, men can find their energies renewed and their lives expanded in meaning and purpose.

THANKSGIVING BASKETS BY MARY MARTHA CLASS

The Mary Martha Class of Third Baptist Church met Thursday at the home of Mrs. Nancy Turner, 4061 Breckenridge Lane. Mrs. Juanita Keltner presided.

The class made plans to purchase gifts for a child residing in Carmi. The ladies will fill baskets for Thanksgiving for local distribution.

Mrs. Hazel Atchison will be hostess for a Christmas dinner party Dec. 17 at 6:30 p.m. at her home, 2685 Grand Ave. There will be a gift exchange.

Members were served a noon luncheon, seated at a table covered with a Thanksgiving cloth and holding silver candelabra. Others present were Mesdames Alma Garrard, Ruth Hopkins, Florence Simpson, Laura Mae Jones and Gollie Riley.

MARYVILLE PTA WILL VIEW HOLIDAY PROGRAM

The executive board of the Maryville School met Thursday night at the school with President Norman Hall presiding.

Plans were announced for a Christmas program which will take place at the Dec. 15 meeting. Some of the school children will present a musical program under the direction of the vocal music instructor, Mrs. Jones. Additional plans will be announced later.

"Black cat" barbecue held on Friday the 13th was a success, meeting budget needs for the year; approximately 1500 persons were served at the event.

Mrs. Pat Mullins, treasurer, will be in charge of seeking an American flag through Congressman Melvin Price.

Mrs. Joyce Schrader, membership chairman, reported 57 members. It was decided to award a \$10 prize to the classroom winning the attendance banner at each monthly PTA meeting.

Awards to the school children selling the most tickets to the barbecue will be made in the near future. Two prizes were offered in each classroom.

Others present were Mrs. Judy Monroe, room mother chairman; Mrs. Diane Neely, hospitality chairman; Art Schreiber, yearbook chairman; Mrs. Ruth Hubbard, secretary; Harold Brandon, vice-president; and the school principal, Jack Mulach.

Harper-Callender Vows Recited in Candlelight

Miss Dianne Marie Harper, a daughter of Mrs. Eunice Harper, 3137 Ash Ave., and Paul Wayne Callender, son of Frank Callender, 1258 Klein St., Venice, were married Saturday evening at Concordia Lutheran Church.

Candles lighted the aisle of the church and the altar bedecked with white flowers and rose heather for the ceremony performed at 7 o'clock by Pastor Arvin Twittemyer.

Mrs. Renee Ors was maid of honor and Miss Katherine Lore, a cousin of the bride, Mrs. Mary Shaver, and Mrs. Sheila Brasfield, served as bridesmaids.

They wore long gowns of velvet designed with high necks trimmed with floral motifs and satin ribbon. The same trim encircled the waistlines and the cuffs of the long sleeves.

The honor attendant was in purple and carried a nosegay of pink and white roses, yellow roses and daisies surrounded with rose heather, while the bridesmaids, dressed in forest green, carried nosegays of the same flowers.

The bride chose a gown of ivory silk organza styled as an Empire bodice and an A-line skirt trimmed with Venice lace. A yoke of lace extended to the hem and the bodice sleeves and small covered buttons sealed the back of the bodice.

A soft bow at the waistline held a removable sweep train banded with lace. A profile of the bride's face was secured the bride's tiered veil of illusion and she carried a nosegay of pink and white roses, stephanotis and baby breath centered with a purple orchid.

Mrs. Harper wore a silver-colored silk worsted dress embellished with bugle beads, crystals and silver mink cuffs. Her corsage was made up of white miniatures.

Three little flowers, Lea, Lisa Butler and Marybeth Pennell, were in purple and green velvet dresses. Steve Brasfield was best man for Mr. Callender. Pete Wilkinson, Charles Smith, Dennis

CLASS MAKES YULE PLANS

The Naomi Class of First Baptist Church met Thursday evening in the home of Mrs. Effie Johnson, 2846 Washington Ave.

Mrs. Myrtle Howell, president, called the group to order and the opening prayer was offered by Mrs. Carrie Hart.

Following roll call and the usual reports Mrs. Gladys Hagan led the devotional service.

A motion was approved to give funds to help raise the \$200 goal of the fund for Foreign Missions in December. Plans were made for the Christmas party of the class to be held Thursday evening, Dec. 17 at the church.

The hostess, who is the recent teacher, was presented with a gift by the members who included Mesdames Vivian Mitchell, the new teacher, Evelyn Davis, Martha Boshard, Grace Green, Carl Davis, Carrie Hart, Alice Whitaker, Pearl Thornton, Katie Pennock, Patsy Eitelman, wife of the pastor, and their two small daughters, and those previously mentioned.

Eta Chapter of the Phi Tau Omicron Sorority held a Thanksgiving dinner party Thursday evening at Rusty's in Edwardsville.

The hostess committee was composed of Mrs. Barbara Ingram, Mrs. Margaret Yackel, Mrs. Valeria Bauder, and Miss Eunice Hatcher.

Twenty-two were present, including Miss Juliette Hatcher, Mrs. Laveada Knobe, and a rubee, Mrs. Evelyn Allen, guests.

Prizes in the games were won by Mrs. Ann Tatum, Mrs. Evelyn Todd, Mrs. Judy Adams, Mrs. Knobe, Mrs. Frances Hartman, Mrs. Lorraine Butler, Mrs. Gladys Waggoner, and Mrs. Allen.

Others attending were Mrs. Jo Ervay, Mrs. Millie Great-house, Mrs. Lou Hodge, Mrs. Mary Lou Richeson, Mrs. Mary Evelyn Yenchon, Miss Mary Hassler, Miss Betty Krug, and Miss Hilma Schroeder.

A business meeting of the chapter will be held Dec. 2 at the Elk's Club.

O.E.S. CHAPTER CLOSURES YEAR

New Hope Chapter 432, Order of the Eastern Star of Illinois, held its last state meeting of this chapter year at the Masonic Temple Friday evening.

Mrs. Alice Ebertson, formerly of Carbondale, is now affiliated with New Hope Chapter, a 432 chapter.

Verdie E. Graggert of Route One received the degree of the order. Two other petitioners were elected to receive the degree.

Mrs. Evelyn Harris, worthy matron, gave her annual report. Herman Harris is worthy officer. The installation of 1971 officers will be held this evening at the Temple. The ceremony is open by invitation for members and friends.

A school of instruction for the new corps of officers will be held Saturday and the first stated meeting of the chapter will take place Dec. 4.

Approximately 125 members and guests enjoyed a social hour in the dining room after the meeting.

CUB PACK WILL MEET

Cub Scout Pack 17 will meet at 7:30 Tuesday evening at Marston school. The theme of the meeting will be "Pioneer Days."

Photojournalist Speaks At Meeting of B&PW

C. F. Marley of Nokomis, Ill., an agriculturist and photojournalist, was guest speaker last week at a dinner meeting of the Granite City Business and Professional Women's Club held at the Rose Bowl.

His talk was in opposition to the proposed new Illinois Constitution.

Mrs. Sandy Townzen, legislative chairman, and her committee were in charge at the meeting and the speakers table was decorated with American flags and a floral centerpiece.

Mrs. Emylee Alford, club president, gave the welcome address and Mrs. Marcello Ashford, Americanism chairman, led the pledge to the flag.

Mrs. Ruth Milhouse read the club Collect.

Senior Citizens Backing New Construction

"Senior Power" may be the new watchword in state politics on Dec. 15, according to Clarence Lipman, executive director of the Governor's Committee for Senior Citizens. Lipman has written a letter to senior citizen groups throughout Illinois, as well as to pres-

idents of organizations concerned with the well-being of Illinois' one million senior citizens. He is urging that members of these organizations work together for ratification of the proposed Illinois constitution. Voting for ratification of the

new constitution will take place Tuesday, Dec. 15. Cites Homestead Ruling The catalyst for Lipman's letter was a decision by a Cook County circuit court judge that the recently enacted Homestead Exemption law for senior citizens is invalid under the

Granite City PRESS-RECORD Page 18 Mon., Nov. 23, 1970

present constitution. "Right now there is only one positive approach we can use to overturn this decision," Lipman is telling senior citizen groups "and that approach is to band together to fight for passage of the proposed constitution."

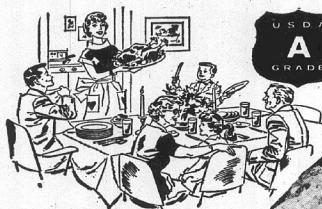

The new constitution authorizes the General Assembly to enact a Homestead Exemption law for senior citizens, Lipman points out. "If we band together, we can be quite a force in the adoption of this constitution," Lipman

said. "I call upon all senior citizens to show the people of Illinois what 'Senior Power' can accomplish by working toward ratification of the new constitution and by voting 'yes' on Tuesday, Dec. 15."

Won Earlier Campaign Lipman cited the effectiveness of "Senior Power" in passage of the original Homestead Exemption law for senior citizens during the 78th General Assembly. He has told senior citizens, "We worked for passage of the Homestead Exemption and were successful. Now let's work together for passage of the constitution. Success depends upon our efforts."

The original Homestead Exemption law and its amendments provided a \$3,000 reduc-

tion from the assessed valuation of a home owned solely or as joint tenant by an individual more than 65 years of age. Man Loses Wallet, \$70 Edward Lance, 3004 Forest Ave., reported at 11 a.m. Friday that he lost his wallet containing \$70, his driver's license and papers during the night.

DAR Chapter Plans Events

A meeting of Drusilla Andrews Chapter, Daughters of the American Revolution, held Saturday in the home of Miss Nellie Hart, 2806 Iowa St., was called to order by Mrs. Mildred Whynes, regent.

The Thanksgiving program was given by Jeanne Selheimer who displayed newspapers and books dating back to 1884. Miss Hart had on display glassware and linen purchased while on vacation in the British Isles. The organization is taking orders for the Centennial History of Madison County from 1812-1912. The orders may be placed with the members at reduced prices until Nov. 30.

A Christmas party is planned by the Chapter in connection with the December meeting in the home of Mrs. Harry Johnson in Madison.

Present at the Saturday meeting, besides those mentioned were Mrs. Leona Tate, Mrs. Eva Meir, Mrs. Daisy Turner, Mrs. Janet Wilson, Mrs. Gladys Chapman, Mrs. Ruth McCarthy, Miss Anna Wilcox, Mrs. Dorothy Buenger, Mrs. Mary Conant and a guest, Mrs. Barbara Williams.

CLASS MAKES PARTY PLANS

Plans for a Christmas party in the home of Mrs. Ruby Foster Dec. 17 were made at a meeting of the Ruth Class of First Baptist Church, Thursday evening in the home of Mrs. Elmer Stagner, 2806 Iowa St. There will be an exchange of \$1 gifts at the party.

Mrs. Dorothy Winter presided in the absence of the president, and the opening prayer was offered by Mrs. Marie Detmer. Reports followed from the members, and a discussion of gifts to be purchased for a child at the Carmel Children's Home.

The devotional service was led by Mrs. Ellen Douglas. It was titled "Things We Should Be Thankful For."

The meeting adjourned with prayer by Mrs. Virginia Larsen and there were games for entertainment with prizes going to Mrs. Detmer, Mrs. Foster, and Mrs. Virginia Larsen. Refreshments were served were Mrs. Douglas, Mrs. Winter and Mrs. Helen Bains.

MRS. SMOLAR HOSTESS
Mrs. Vera Smolar was hostess to her card club in her home Wednesday evening. Games were played and refreshments were served by Mrs. Irene Hatcher, Mrs. Marie Muhl and Mrs. Lillian Crawford.

Others taking part in the monthly meeting were Mrs. Betty Gudac and Mrs. Winnie Sasyk. Dessert and coffee were served.

MRS. DALEY ENTERTAINS
The Third Thursday Club, Thursday in the home of Mrs. Helen Daley, 4174 Madison Ave. Games filled the early part of the evening, after which the hostess, assisted by her daughter, Mrs. Zelle Zissel, served a luncheon. Mrs. Zelle and her son, Jason, were guests for the evening.

Members present were Mrs. Ella Webb, Mrs. Ruth Hocking, Mrs. Lenna Williams, Mrs. Edna Foley, Mrs. Helen Richardson, Mrs. Barbara Ridgway, Mrs. Laural Purcell, Mrs. Gladys Bass and Mrs. Cornelia Hommert.

Boat Lost in Tornado is Salvaged by GC Divers

Two Granite City scuba divers are literally "holding their breath" until the Missouri state government salvage operations are completed and they discover who really owns the fully equipped pleasure boat the pair has recovered.

Edward D. Duffin, 2240 Lynch Ave., and William J. Brannan, 202 Nevada Ave., both members of the Bubblemasters Scuba Diving Club of Granite City, were spearfishing off Indian Point Boat Dock at Table Rock Lake, Mo., when they spotted the fiberglass craft at a depth between 30 and 60 feet.

The 16-foot-long boat was overturned on the lake bottom about 30 yards offshore. The owner of the boat, a man in his 40s, said the craft had been torn from its moorings and presumed destroyed by the tornado which struck the area in August.

The tornado also smashed several boat docks in the same area, the marina owner reported. He said an attempt to retrieve the craft was made shortly after it sank, but the boating lines apparently were insecure and the boat plunged downward and was lost again.

300 Temperature
At the time Duffin and Brannan started their salvage operation, the air temperature was about 30 degrees and the water temperature stood at 66 degrees, they reportedly were insecure.

To dislodge the boat from the lake bed, the local divers utilized

an extra air tank and a filler hose. They inserted the hose underneath the upside down craft, blowing air into the space between the water and raise the boat to the surface.

After floating the boat to the surface, the divers used to hoist it from the water. Estimated value of the salvaged vessel was placed between \$100 and \$150.

"The gas tanks were full and the gear was still inside or underneath the boat," Duffin said this week. He explained that a canvas canopy top probably kept the equipment from delidding. An extra propeller, anchor, life-jackets, even water skis, were recovered.

The boat and motor are in good condition, the divers reported, with very little damage to either. The motor, which was held on the lake bed by the weight of the engine. "The rig shot out of the water about six feet when we got the air under the hull," he noted.

The local men have since learned the owner of the boat is a resident of the Table Rock Lake region, who has been compensated for its loss by an insurance company.

Salvage rights under the Missouri law are now being investigated to determine legal ownership, Duffin said. He commented that had the boat been salvaged from Illinois water, it would be considered the legal owners.

Public Aid Rolls Still Rising, State Reports

Preliminary data for October indicate another rise in public aid rolls, according to Harold O. Swank, director of the Missouri Department of Public Aid at Springfield.

"The actual rise is not yet known because complete data are not yet available on some programs. However, it is known that there was an increase of 12,472 in the number of persons receiving monthly payments from either aid to dependent children or assistance to the aged, blind, or disabled. Cook County accounted for 7,229 of the increase and downstate counties, 5,243," Swank said.

He added, "Data are not yet available on total expenditures and on the number of persons who received local general assistance or medical assistance in 1970."

September Rolls Up
During September, the latest month of complete records for all programs, the state's public aid rolls reached 681,037 persons, an increase of 14,755 over August and 127,073 higher than a year ago.

All programs increased, Swank said. The net gain at \$3,694,702 over August and an increase of \$18,801,707 over September 1969. Current expenditures include \$621,118 in payments for foster care, aid to the medically indigent in Chicago and Cicero, and burials.

Allen, 31, of 1714 Poplar St., and a passenger, Sandy Allen, 20, same address, were injured when he lost control of his auto and struck a car owned by Gilbert Carriani, 345 Niedringhaus Ave., while it was parked in front of his home at 10:30 p.m. Thursday.

Operating Engineers Picketing Union Electric

Members of Operating Engineers Union, Local 148, began picketing Saturday at Union Electric Co. power plants at Venice and Chisholm in support of a dispute over an unresolved work assignment grievance.

About 130 Local 148 members at Venice and 200 at the Cahokia works walked out of the plants at noon Friday. The strike reportedly began Friday at the Portage Des Sioux plant in St. Charles County, Mo., and quickly spread to other power generating facilities in the utility firm's three-state area of operation.

There were no reports of power interruptions, with supervisory personnel continuing operations at all plants. About 1300 Union Electric workers are involved in the strike.

Wayne Duckworth, Local 148 business agent, said the strike had been sanctioned and was called after almost a month of mediation on the assignment of a stationary engineer to perform a maintenance worker's duties. Both are union positions.

A Union Electric spokesman said that the union walkout came because of disciplinary action taken by the company against a man who refused a transfer to another plant. He said the company was necessary for the continued operation of the plant.

Kevin Walker, 9, Dies in Las Vegas
Kevin McCool Walker, 9-year-old son of USAF Maj. Harry William Walker and Mrs. Karen Anderson Walker of Indian Springs, Nev., died Saturday evening at a hospital in Las Vegas, Nev. Death was attributed to complications resulting from influenza.

The boy had been hospitalized previously and was readmitted when he contracted the disease last week, a spokesman for the family said today.

Kevin was born in Salina, Kan., and had resided here with his parents several years ago. Both Maj. and Mrs. Walker were born and reared in Granite City.

Beside his parents, the child is survived by his mother, Harry John Walker, 10, and a sister, Kathryn Zoanna Walker, 2, all at home; and his grandparents, Mrs. Kathryn Anderson of Granite City and Mrs. Geraldine Walker of Fort Walton Beach, Fla.

Funeral services will be held here. Available details are given in the obituary column.

Store Brands Are High In Nutritive Value
Private label or the store's own brand products are generally packed or produced under contract by a large supplier, or the labeler's own plant to process them. Although they're usually a few cents cheaper, store brands have a more realistic value to that of the national brands. Buy a store brand and compare it with the nationally advertised brands. If the quality is satisfactory, you can save a few pennies on each purchase.

Laws Regulate Wintertime Driving

(Tri-City and Illinois Bar Associations)

A severe drop in temperature, glass-like roads, and heavy snowfall should all be signals to motorists to prepare for the hazards of winter driving.

For many motorists, such preparation includes a motor tune-up, new windshield wipers and snow tires. In fact, to be sure motorists will be ready for ice and snow, the law requires them to install studied tires as early as Oct. 1.

While attention to the physical condition of an automobile is essential, the best protection against the hazardous driving months ahead is to know and obey the rules for safe driving.

With that in mind, we offer the following review of winter driving tips, each of which is a common sense precaution as well as a matter of Illinois law.

1. **Keep windows free of ice and snow.** The law prohibits the operation of a vehicle with the windshield, side windows, or rear window obscured by ice or snow.

2. **Maintain a safe interval between vehicles.** The law states that one vehicle may not follow another "more closely than is reasonable and prudent."

3. **Turn on your headlights as soon as it becomes dark or when visibility is limited.** Parking lights are not enough.

4. **Reduce speed to correspond with road conditions.** Slow down when the roads are slippery.

The law says you must reduce speed whenever "a special hazard exists . . . by reason of weather or road conditions."

5. **Always signal for a turn.** There are no exceptions to this rule—even when there is no turn lane.

6. **Give proper signal to indicate a lane change.** The appropriate signal must be given both before and after passing since this maneuver involves lane changes.

7. **On merging lanes of highways or at intersections, watch out for other drivers.**

8. **Don't ask for a push and don't give one.** The law permits one vehicle to push another only in an extreme emergency—and then only far enough to remove it from the roadway or immediate vicinity.

9. **It is illegal to ask a friend or even a local garage attendant to use a car.** The law states that a cold engine or dead battery.

10. **Finally, it may not be required by law, but it is always advisable to reduce speed when approaching a bridge during winter weather.**

After melting elsewhere, ice lingers on bridges because there is no ground heat to melt it.

New Constitution Easier to Amend

(Taxpayers' Federation of Illinois)

One of the important changes proposed in the new constitution to be submitted to voters on Dec. 15 is a provision to make it a little easier to amend the Constitution in the future.

Since its inception in 1870, our present State Constitution has only been amended 15 times, even though many amendments have been submitted to the voters over the years.

The 1870 Constitution is difficult to amend. For example, the legislature may propose an amendment by a two-thirds vote of each house, and then it must either be approved by two-thirds of each house or by a majority of the voters at a general election.

The new proposal, as interpreted by the courts to mean by a vote equivalent to a majority of the voters at the general election, is a change that the General Assembly can propose an amendment to the Constitution, and then it is submitted to the voters at a general election.

The amendment will be effective if approved by either three-fifths of each house or by a majority of the voters at a general election.

Well-Heeled County Proposes to Tax, Spend As Usual—Except for the Emotionally Ill

The Nov. 25 session of the Madison County Board of Supervisors will be more than "just another meeting" for board members who take their duties seriously.

Chief items of business are to include adoption of a December 1970-November 1971 budget—listed tentatively at \$7,343,969, an increase of \$432,595—and enactment of yearly tax levies estimated in advance at \$3,295,903, a decrease of \$168,203.

County spending and taxing has grown rapidly in recent years and the Press-Record disclosed in an exclusive analysis Oct. 22 that the Madison County Board's financial management far exceeded the annual expenditures. As of Oct. 1, the figure was \$8,072,244. Nevertheless, taxation at nearly the same level as in the past has been proposed, almost as if the surplus did not exist.

At the same time that the county government has been enjoying unprecedented financial resources, including a share of the state income tax, the Madison County (708) Mental Health Board has been endeavoring to hamstring normal operations of several clinics and agencies which had been financed jointly by county and state funds.

Severe financial cutbacks are proposed by the 708 Board and, amazingly, have been accepted by the Finance Committee, headed by Granite City Supervisor Norman Neumann. This is the case despite the fact that John Bilha, chairman of the Quad-City Mental Health Center Board, and others have pleaded for restoration of an adequate budget.

Staff reductions and elimination of clinic services loom ahead, thanks to the sudden "economy" move by a county government which by almost any yardstick has become one of the most free spending in history.

For the clinic located in Granite City, \$70,000 is proposed, in contrast to the \$112,400 requested and the \$102,770 budget believed in the past. And the supervisors have let the 708 Board turn the money faucet off and on by a vote.

There is little doubt, says Coale, that the rapid increase in the production of goods has been responsible for the rapid increase in the production of bads, since we have made no effort to prevent the latter from accompanying the former. But per capita increase in production has been more important than population growth.

From 1940 to 1970, U.S. population has increased about 36%, but per capita use of electricity has multiplied several times. And while population has increased 36% in the past 30 years, attendance in national parks has increased by more than 400%.

Coale points out that a world of industrial urban pollution of 100 million persons would have most of the pollution problems we have in the United States.

The city of Sydney, Australia, for example, has serious air and water pollution problems and traffic jams, despite the fact that the total population of Australia is but 12 million in a land mass 80% that of the U.S.

There has been no attempt to evaluate—and to charge for—externalities, A's economist Kenneth Boulding says, we pay people for the goods they produce, but we do not make them pay for the "bads."

By permitting certain economic activities without making the operators pay for their bad effects, the environment has been progressively degraded.

whom, regardless of what the budget might have promised.

Meanwhile, even though reapportionment requirements appear destined to reduce the number of supervisors and assistant supervisors from 49 to 29, the proposed new budget allocated \$140,000 to the four standing committees and \$120,000 for travel, compared to \$130,000 and \$100,000 for these purposes in the previous budget.

The controlling factor in such matters seems to be the County Board of Supervisors governing structure of committees, under which committee assignments and ability to get laws passed hinge on strict discipline and within-the-board loyalty, regardless of the effect on the public.

The supervisors and assistant supervisors may be figured it accurately. After all, adults and youngsters with emotional problems, who are managing to live productive lives with the aid of counseling at mental health outpatient centers, may not have much election clout.

Why should anyone give such distressed people a second thought? A little more anxiety and insecurity never hurt anybody—right, fellows?

As Governor Ogilvie said, the behind-the-scenes work by the Novaburbs to redistrict the state during their "lame duck" session last week was "poor policy." He did the right thing in invoking his right to adjourn the General Assembly until its next regular session Jan. 6.

The previously unannounced attempt to draw up new Illinois Senate and House district boundaries was an obvious effort to carry out the will of the public expressed in the Nov. 3 election.

Full statistics from the 1970 census are not yet available, but the results also would have been handicapped by the haste which would have been necessary in a brief adjourned session. The task has always been a complicated one, and the "one man, one vote" mandate has added to the difficulty by requiring almost perfect uniformity in district population.

Assembly meetings should be more numerous than the once-every-biennium pattern of the past, but the November 1970 session proved to be one too many.

Capable Directors Chosen by Taxpayer Survey Group on Public Expenditures

Creation of a 17-member board of directors will give the Tri-City Taxpayers Public Expenditures Survey Group added expertise in evaluating government spending and a stronger voice in commenting on tax proposals.

Judging by reactions voiced so far, many governmental officers view the research group as not primarily a critic but rather a helper in improving efficiency and achieving a reasonable degree of cost control. Such objectives are never easy to attain, and if real help can be provided it will benefit all parties, including governmental employees and the general public.

Neither the General Assembly nor any county, city, town, township, school district, or other public corporation, shall ever make any appropriation or pay from any public fund whatever, anything in aid of any church or sectarian purpose, or to help to support or sustain any school, academy, seminary, college, university, or institution of higher learning, or any school of theology, or any church or sectarian denomination whatever.

Neither shall any grant or donation of land, money, or other personal property ever be made by the State, or any such public corporation, to any church, or for any sectarian purpose.

SECTION 1. PUBLIC POLICY — LEGISLATIVE RESPONSIBILITY

The public policy of the State and of each person is to provide and maintain a healthful environment for the benefit of this and future generations.

The General Assembly shall provide by law for the implementation and enforcement of this public policy.

SECTION 2. RIGHTS OF INDIVIDUALS

Each person has the right to a healthful environment. Each person may enforce this right against any person who is engaged in any activity which is likely to result in the degradation of the environment.

SECTION 3. SUBORDINATION OF MILITARY POWER

The military shall be in strict subordination to the civil power.

SECTION 4. COMMANDER-IN-CHIEF AND OFFICERS

The Governor is commander-in-chief of the organized militia, except when he is in the service of the United States.

SECTION 5. PUBLIC TRANSPORTATION

Public transportation is an essential public purpose for which public funds may be expended.

SECTION 6. BRANCH BANKING

Branch banking shall be authorized only by law approved by three-fifths of the members of the General Assembly.

SECTION 7. BRANCH BANKING

Branch banking shall be authorized only by law approved by three-fifths of the members of the General Assembly.

Branch banking shall be authorized only by law approved by three-fifths of the members of the General Assembly.

Proposed Constitution—State Has Primary Responsibility for the Financing of Public Education

(1970 Illinois Constitutional Convention)

ARTICLE X. EDUCATION

SECTION 1. GOAL—FREE SCHOOLS

A fundamental goal of the People of the State is the education of all children to the fullest extent of their capabilities.

The State shall provide for an efficient system of high quality public educational institutions and services. Education in public schools through the secondary level shall be free. There may be such other free education as the General Assembly provides by law.

The State has the primary responsibility for financing the system of public education.

SECTION 2. STATE BOARD OF EDUCATION — CHIEF STATE EDUCATIONAL OFFICER

(a) There is created a State Board of Education to be elected or selected on a regional basis. The number of members, their qualifications, terms of office and manner of election or selection shall be provided by law.

The Board, except as limited by law, may establish goals, determine policies, provide for planning and evaluating education programs and recommended financing. The Board shall also have such other duties and powers as provided by law.

(b) The State Board of Education shall appoint a chief state educational officer.

SECTION 3. PUBLIC FUNDS FOR SECTARIAN PURPOSES FORBIDDEN

Neither the General Assembly nor any county, city, town, township, school district, or other public corporation, shall ever make any appropriation or pay from any public fund whatever, anything in aid of any church or sectarian purpose, or to help to support or sustain any school, academy, seminary, college, university, or institution of higher learning, or any school of theology, or any church or sectarian denomination whatever.

Neither shall any grant or donation of land, money, or other personal property ever be made by the State, or any such public corporation, to any church, or for any sectarian purpose.

Shrine Ceremonial to Induct 100 New Nobles

Nearly 100 new Nobles will be added to the rolls of Almad Temple, when they are inducted into the Shrine at a Ceremonial at the Southern Illinois University Communication Building at Carbondale Saturday starting at 4 p.m.

Potestate Edward G. Magg, illustrious leader of the Almad Divan, will head the delegation from the Temple in East St. Louis, and will meet with the candidates when the ritual starts.

Following the induction degrees, the candidates will return to the University Center for a dinner with their ladies and the members of the Almad Officers at 5:30 p.m. At 7:30 p.m., all the new Nobles and their ladies, and the Master Masons of Southern Illinois, will be guests of the Potestate at the University Arena where a stage show will be presented.

This is the third time the Sphinx Shrine Club will hold a Ceremonial. President Les Brennan named Jack Hanley, a past president to handle the chores for the occasion. Other past presidents are assisting as well as the Oasis Shrine Club of Anna, the Murphysboro Club, the Perry County Club, and the Williamson County Club.

Almad Temple has 8,000 members of the Ancient Arabic Order Nobles of the Mystic Shrine in Southern Illinois, and has 30 Shrine Clubs plus 23 Uniformed Units.

Rapid Transit System Discussion Tomorrow

Various aspects of the proposed rapid transit system for this metropolitan region will be discussed at a meeting of the Mass Transit Committee of the Chamber of Commerce of Metropolitan St. Louis at 3:30 p.m. Tuesday at the Bel-Air East Motel. The committee includes a number of Quad-Cityans.

The Mass Transit Committee has been enlarged to over 90 members, and consists of representatives from the main groups and interests in the bi-state area, and not just the business community. Eugene F. Williams Jr., president of St. Louis Union Trust Co., is chairman and Frederic M. Peirce, chairman of the board, General American Life Insurance Co., is vice-chairman.

At Tuesday's meeting, Williams will discuss the urban mass transportation needs of metropolitan St. Louis; James B. Menor Jr., manager of the Chamber Transportation Department, will make a presentation of the proposed rapid transit system for St. Louis; and Peirce will issue a challenge to the metropolitan community to get the job done.

Review Federal Role
C. Carroll Carter, assistant administrator for public affairs of the Urban Mass Transportation Administration in Washington, will present a sound slide presentation of the new federal program for aiding improvements in mass transportation in the nation's cities.

This will be the "kickoff" meeting for the enlarged Mass Transit Committee.

It was formed to "marshall the high degree of public understanding and support needed to make rapid transit a reality for the St. Louis region, once the planning process is completed," Williams explains.

Bi-State Development Agency rapid transit consultants' report is expected to be completed this spring.

County Zoning Board Sets Hearings Dec. 10

On-site public hearings will be held Dec. 10 by the Madison County Zoning Board of Appeals in Nameoki and Edwardsville Townships on the following requests:

Elby J. and Minerva Coffman, owners, and Patricia A. and M. S. Solenberg, occupants of a mobile home, to place a mobile home in an R-3 one-family residence district on the corner of Wamock and Reeb avenues in the First Greater Granite Heights subdivision at 10:35 a.m.

Rno Zurkubien, owner, to operate a solid waste material landfill in an M-2 general manufacturing and agricultural district in the northeast quadrant of the intersection of Route 111 and Interstate 70 along the Cahokia Canal at 11:05 a.m.

Edwardsville Southern Illinois Communion Inc. by Louis E. Morris, president, to rezoned a tract of land from agricultural to highway business district for one parcel with a special use permit to establish a mobile home park, for another parcel for multiple family dwellings on Center Grove Road adjacent to the C&NW and NKP Railroads at 9:20 a.m.

Hilbert, Mary, Frances and Leonard Dickman, owners, and Delbert A. Landers and James Ballantyne, purchaser, for a special use permit to operate a digested sludge treatment facility and for a sewage treatment facility in an agricultural district near Sand Road and Interstate 270 at 10 a.m.

The 25-Year Club at American Steel Foundries will enroll 13 new members at its 27th annual meeting and banquet in the cafeteria of the Granite City High School, Tuesday, Dec. 1.

The new members will receive engraved watches from Mr. A. P. Steinhauer, works manager at the local plant. With their enrollment the 25-Year Club's membership will be increased to 467, including 219 honorary members. Seventeen club members died within the year.

The Club was organized in 1944 for the purpose of promoting good fellowship among employees with long service at the local plant. The 25-Year Club is presently headed by A. W. Lawrence of East Alton.

Robert B. Burns, St. Louis sports editor, will be the guest speaker.

Members from Granite City include: Lloyd A. Biegel, 2816 Roosevelt Ave.; Vernon "Sug" Cain, 3097 Wayne Ave.; Albert D. Connor, 2903 Harding St.; and Frank B. Felker, 2601 Twenty-seventh St.

David Anderson, 315 Weaver St., Venice, also will be a new enrollee.

License Issued
A marriage license has been issued in St. Louis to Michael L. Brown and Virginia D. Helms, both of Granite City.

General Westmoreland To Be Dinner Speaker
General William C. Westmoreland, chief of staff of the United States Army, will be the principal speaker at the annual banquet of the Chamber of Commerce of Metropolitan St. Louis on Dec. 16, Chamber President Charles J. Dougherty announced.

The banquet, which is open to the public, will be at 8:45 p.m. in the main ballroom of the Stouffer's Riverfront Inn. Tickets, at \$15 each, are available through the Chamber office, 224 North Broadway, and tables of eight may be reserved. General L. J. Sverdrup, chairman of the board of Sverdrup & Parcel Associates, Inc., is the banquet chairman. More than 1,000 persons are expected to attend.

General Steel Omits Dividend For 4th Quarter

The board of directors of General Steel Industries, Inc., has omitted payment of a dividend on the common stock for the fourth quarter of 1970. The company, which reported a net loss of \$570,000 for the three months ended last Sept. 30, paid a 20-cent dividend in each of the first two quarters this year and a 10-cent dividend in the third quarter.

W. Ashley Gray Jr., president, said the loss being sustained on second half operations has emphasized the need to conserve cash to maintain the company's strong financial condition and meet the unusually heavy working capital requirements of the St. Louis Car Division of GSI, which is preparing to start delivery on two large orders for rapid transit and commuter cars.

GSI is expected to return to profitable operations when volume shipments on these orders begin during the first half of 1971. Gray said. The company is building 352 new model subway cars for the New York Metropolitan Transportation Authority and 120 double-deck commuter cars for the Chicago South Suburban Mass Transit District.

Bids Called for SIU Humanities Building

The Illinois Building Authority will call construction bids Dec. 22 for a \$13 million Humanities-Social Sciences Building on the campus of Southern Illinois University at Carbondale.

Bid advertisements went out last week after SIU architects said they had been informed that Gov. Richard Ogilvie is ready to release a \$4,988,000 emergency appropriation for a stage two of the 900-foot long building.

The second-stage appropriation was made last year after a fire destroyed SIU's Old Main building. A \$7.5 million Illinois Building Authority authorization for the first stage had been approved in an earlier budget. Also included in funding is a \$1.1 million federal grant.

To go into the building are departments of English, foreign languages, philosophy, anthropology, government, history and the Center for English as a Second Language. The architects are Geddes, Brecher, Qualls and Cunningham of Philadelphia.

Oldest U. S. Habitation Site Finally Gets Plaque

Seven years after the Modoc Rock Shelter near Modoc, Ill., was declared a registered national historic landmark, a bronze plaque testifying to the fact is finally in place at the ancient Indian site.

For discoverer Irvin Peitmann the lag is a mere dribble in time's bucket. It was 10,000 to 11,000 years ago that man apparently settled beneath the ancient sandstone and limestone bluff overhang, a span that makes it the oldest known habitation east of the Mississippi River.

Peitmann, 66-year-old research associate at Southern Illinois University, was archaeological curator at SIU's Museum when he spotted what appeared to be smoke stains on the weathered bluff face during a 1950 field excursion.

Subsequent explorations by SIU and the Illinois State Museum turned up ashes and human skeletons more than 10,000 years old. Explorations stopped between 20 and 26 feet. The shelter is now owned by the state and Peitmann thinks deeper digs may confirm it as the oldest known human site in the United States.

It's designation as a national

landmark was made in 1963 but no one seems to know why it took so long for the plaque to arrive.

Peitmann, who is now occupied in new archaeological discoveries at the site of Fort Chartres not too far away, was on hand when the plaque was bolted into hand-chiseled holes. Setting it were Robert Mollet of Modoc and Bill McLaughlin, caretaker of the Pierre Menard Home.

Two newsmen made up the rest of the crowd. The plaque says the site "possesses exceptional value in commemorating and illustrating the history of the United States."

Peitmann says the name Modoc has no area derivations. A 19th century villager once described some local ruffians as "wild as Modoc Indians," referring to a rampant tribe then giving the government some problems in California. When the Randolph County settlement got a post office, it was named Modoc.

State Chamber Plans Legislative Preview

The Illinois State Chamber of Commerce will sponsor a state-wide pre-legislative action conference Tuesday, Jan. 5, in St. Nicholas Hotel, Springfield.

Aimed at stimulating grassroots legislative involvement of businessmen, the conference will preview major issues expected to confront the new 77th Illinois General Assembly which convenes the following day, Jan. 6. The conference will open with a noon luncheon, featuring Robert J. Lenhausen, director, department of local government affairs, and will close with a banquet addressed by Gov. Richard B. Ogilvie. The afternoon program includes two panel discussions featuring legislative leaders and the chairmen of key legislative commissions.

The first panel features a discussion of upcoming legislative issues with House and Senate leaders.

Chamber Board Discussion with National Officer

Directors of the Chamber of Commerce of the Tri-Cities were to confer jointly by telephone this afternoon with Milton Fletcher, manager of the Local Chamber Department of the U.S. Chamber of Commerce.

President Albert H. Froelich was to preside at the special meeting held at Granite City Steel Co.

Following a 20-minute address by Fletcher, the national officer was to answer questions voiced by the board members.

The concluding part of the agenda listed a review of the local Chamber's policies, procedures and bylaws and a discussion of the 1971 program.

Shrine Legion Elects Jacobsmeyer to Post

Oliver B. Jacobsmeyer, 3400 Terrace Lane, was elected lieutenant commander of the Legion of Honor of Ainaid Temple Shrine at a meeting last week at the home of Past Commander Earl French, 1614 Clark Ave.

Other officers elected were Gene Miller, Earl French, commander; Adolph Weiss, 3107 Colgate Place, adjutant; and Lloyd Whitworth, 3222 Windsor Drive, finance officer. The terms begin in January.

Four new members were initiated in the order are Nobles Mike Petrosian, George Boland, John Charles Boyd and Olen Rogers.

The Legion of Honor is one of five units of the Tri-City Shrine Club and is a veterans organization within the Shrine. It is a public relations group operating under the patronage of Ainaid Temple.

It has distributed flag decals, desk flags and flag pins and recommends flying the American flag on every appropriate holiday, if not every day of the year.

Any Shriner who has served in the Armed Forces and is eligible serving his country is eligible for membership.

J. R. Jackson Receives Commendation Medal

Sergeant First Class Jackie R. Jackson, son of C. O. Jackson, 1808 Harris St., Madison, recently received the Army Commendation Medal while serving with the American Division in Vietnam.

Sgt. Jackson earned the award for meritorious service as a platoon sergeant with Company E, 1st Battalion, 8th Infantry of the Division's 18th Light Infantry Brigade near Chu Lai.

The sergeant entered the Army in February 1963, completed basic training at Fort Knox, Ky., and was stationed at Fort Campbell, Ky., before arriving overseas. He also holds the Combat Infantry Badge.

The sergeant is a 1963 graduate of Madison High School.

AWAIT SKATING PARTY

Lee Ann Galbraith, leader of the Daisy Patrol of Nameoki PTA Junior Girl Scout Troop 143, led the scouts in reciting the pledge of allegiance and Girl Scout promise last week. Mrs. Marilyn Galbraith and Mrs. Charlotte Rapp, leaders, are assisted by Mrs. Gale Williams and Mrs. Earline Johnson.

Permission blanks for a Nameoki school scout roller skating party Dec. 5 at the Stardust were distributed, as were requests for carried goods for the "Festival of Giving."

The girls decided to have a "grabbing" for their Christmas exchange at a party Dec. 16. Money for scout calendars was turned in, and holiday tree ornaments were made for presentation at the pre-Christmas festival Dec. 5 at Nameoki School.

The girls made miniature red and white yarn dolls.

Other members present were Karen Hatcher, Stephanie Hetherington, Karen Hatcher, Karen Myracle, Mary Strauss, Tammy Doty, Lisa Milam, Rob Johnson, Sherly Williams, Laurie McKinney, Lori Cunningham, Nannette Robert and Nam, Lisa Vevallos, Kimberly Kathy Longos. The troop will begin practicing its program for the festival at the next meeting, in January.

OAKLAWN TERRACE CLUB HAS LUNCHEON

The Oaklawn Terrace Women's Club held its November meeting last week on the Robert E. Lee, docked at the St. Louis riverfront.

A noon luncheon was served, and plans were made to meet Dec. 16 for a Christmas party at the home of Mrs. Elfreda Darr, 4 Toketown Lane.

Her daughter, Mrs. Charlotte Rapp, will be co-hostess for the party and a gift exchange will take place.

Members attending were Messdames Irene Louis, Melba Tarpoff, Nellie Miner, Mary Noth, Myrtle Hickman, Margaret Kirchoff, Tomea Kirchoff, Joyce Mason, Mary Lou Worthen, Betty Mathias, Lucile Etheridge, Corrine Schuenke and Jo Terrell.

LUNCHEON, BAZAAR AT HOPE LUTHERAN

The Lutheran Women's Missionary League of Hope Lutheran Church sponsored a noon luncheon and bazaar Thursday in the hall of the church.

The bazaar items were arranged in the church library, and the luncheon was served in Fellowship Hall.

Following the lunch, a special program on making holiday gifts and centerpieces was given by a guest, Mrs. Crystal Markowitz of Edwardsville.

The Missionary League president, Mrs. Henry Soehlin, awarded prizes. The group's Christmas tea will be held Thursday evening, Dec. 17, at the church.

NIGHT OWLS MEETING

The Night Owls Pinocchio Club met Thursday evening at the home of Mrs. Evelyn Reinhardt on St. John's Court.

Winning prizes for the evening's games were Mrs. E. A. Sheppard, first; Mrs. Joan Rosenberg, second; Mrs. Hazel Rollins, third; and Mrs. Mary Baumberger, honor.

The hostess served a lunch of sandwiches and potato salad to those mentioned and Mrs. Toni Strain, Mrs. Mabel Lehn and Mrs. Myrtle Hickman.

Mrs. Hickman has invited the club to her home, 45 Terrace Lane, for the next meeting on Dec. 3. A holiday dinner party will be held Dec. 17 at Rusty's, followed by cards at the home of Mrs. Lehn.

JOLLY TWELVE CLUB MEETS AT JUNG HOME

Mrs. Marcelline Jung, 2804 Dogwood Drive, was hostess for the Thursday meeting of the Jolly Twelve Club. A two-course candlelight luncheon was served at a table covered with a golden cloth.

Prizes for the afternoon's pinocchle games went to Mrs. Myrtle Bruns, Mrs. Mabelle Borum, Mrs. Helen Love, Mrs. Alma Haddeman and the hostess. Also present were Mrs. Jean Barnes and Mrs. Kathryn Smithson.

The next meeting will be a holiday luncheon at the Round Table Dec. 1, when members will hold a gift exchange.

"SCOUT OSCARS" for outstanding service to youth in the Quad-City area were presented last week to nine adult leaders. First row, left to right, Leo Schermer, council advancement chairman; Otto Fischer, assistant scoutmaster Troop 12; Mrs. Marlean Manoogian, chairman Den Mother's reserve; Ray Gaudette Jr., scoutmaster Troop 98. Second row, left to right, Don Phillips, institutional representative, Troop 1, Venice; Louis Spahr, cubmaster Pack 22; Lewis Laboray, neighborhood commissioner, and Mick Strange, Madison, institutional representative.

UNIAH DISTRICT scout officers elected and installed last week at the annual district dinner meeting. Front row, left to right, Ted Scruggs, district commissioner; Leo Konzen, district chairman and Wilbur Irelan, district scout executive. Second row, left to right, District Vice-chairmen Paul Rutledge, Charles Baumann, and Melvin Wilmmsmeyer. Walter Gavlick, also a vice-chairman, was out of the city on business.

Donald Sykes Completes Management Program

Donald Sykes, of Granite City, finishing supervisor at Owens-Illinois, Inc., in Madison, completed a first-level course Friday in Wittenberg University's Management Development Program at Springfield, Ohio.

Areas emphasized in the week-long programs included human relations, economics, communications and business operations. The Wittenberg program is now in its 20th consecutive year of continuous service to industry.

Garbage Truck Mishap

A garbage truck driven by Michael P. Eschenpreis, 1628a Sixth St., Madison, struck the rear of a car driven by Maria A. Roempe, Rural Route Two, showing it into the back of an auto driven by Ronald F. Kuzma, 2510 E. 25th St., while the cars were waiting for a turn signal at 1:30 p.m. Thursday at Nameoki and Pontoon Roads.

Auto Door Struck

The left back door of an auto driven by Waldon R. Sherlock, 2608 Propas Ave., making a U-turn, was struck by a car driven by James Gravitt, 2224 Terminal Ave., at 7:25 p.m. Thursday at 2814 Victory Drive.

SIU-SW Arts Unit Invited To Perform at Washington

Dr. John S. Rendleman, chancellor of Southern Illinois University-Southwestern, has received an official invitation for the Performing Arts Training Center to make a presentation at the 1970 White House Conference on Children Dec. 15 in Washington, D.C.

The invitation is the result of auditions watched by Washington officials presented by 40 children prepared by Miss Katherine Dunham, director of the PATC of East St. Louis, a unit of SIU-SW. Miss Dunham is one of seven national supervisors for the National Music Educators Association portion of the White House Conference.

The East St. Louis presentation involves 40 children, ages 5-13, who will perform primitive and modern dance and songs for the expected 2,500 delegates from over the country.

The PATC-prepared children will perform for approximately 20 minutes of the scheduled 90-minute performance at the conference. Sixty minutes will be taped by NBC-TV for future network showing.

Preview performances of the Washington presentation by the children were held yesterday at the Northwest Neighborhood Opportunity Center in East St. Louis, and were to be presented today in the Meridian Ballroom on the SIU-SW campus.
